**The A to Z of Old Time Radio** Robert C. Reinehr, Jon D. professionals to help give a deeper understanding of how to find success in a new and exciting creative industry Dust off that story idea you've been wanting to develop and learn how to craft an engaging script that can become a fully realized production In audio drama everything is possible The Voices Within Charles Fernyhough,2016-10-04 A luminous exploration of the nature of thoughts from daydreams to the voices in our heads At the moment you caught sight of this book what were you thinking Was your thought a stream of sensations Or was it a voice in your head Did you ask yourself I wonder what that's about Did you answer And what does it mean if you did When someone says they hear voices in their head they are often thought to be mentally ill But as Charles Fernyhough argues in The Voices Within such voices are better understood as one of the chief hallmarks of human thought Our inner voices can be self-assured funny profound hesitant or mean they can appear in different accents and even in sign language We all hear them and we needn't fear them Indeed we cannot live without them we need them whether to make decisions or to bring a book's characters to life as we read Studying them can enrich our understanding of ourselves and our understanding of the world around us it can help us understand the experiences of visionary saints who might otherwise be dismissed as schizophrenics to alleviate the suffering of those who do have mental health problems and to understand why the person next to us on the subway just burst out laughing for no apparent reason Whether the voices in our heads are meandering lazily or clashing chaotically they deserve to be heard Bustling with insights from literature film art and psychology The Voices Within offers more than science it powerfully entreats us all to take some time to hear ourselves think *International Directory of Little Magazines & Small Presses* Lenard V. Fulton,2003 **A Resource Guide to the Golden Age of Radio** Susan Siegel,David S. Siegel,2006 The first ever guide to 3 800 primary and secondary sources that explore radio's contribution to America's cultural heritage Index integrates separate listings in Special Collections Bibliography and Internet chapters and can be searched by program title person or subject **The Bickersons' Love Letters** Ben Ohmart,2010-06 Never before have the infamous love letters between John and Blanche Bickerson seen the light of day and this collection shows just why This amazing testament to the strength of marriage celebrates the true depth of feeling the squabbling couple felt for one another And no It wasn't always bickering Unearthed at last are their origins how they met Who they are Their very different backgrounds Now experience for a change the love shared between two people who were obviously made for one another I'm sure you've all heard about the Lost Honeymooners Episodes but Ben Ohmart has done us one better He's found the Lost Love Letters of John B and Blanche P who were later to reap radio fame and fortune as The Battling Bickersons With the aid of their only child Jules he has painstakingly recreated their historical and hysterical correspondence from a high school crush to an elopement in 1939 The results are also painful as your sides will be aching with laughter Fans of OTR rejoice This is a great compliment to the previously published scripts representing their audio triumph of years past Phil Proctor of The Firesign Theatre Ben Ohmart's discovery of the Bickersons' love letters is the dysfunctional lover's equivalent of finding the Dead Sea Scrolls Jay Johnson
