## **The Generals:**

*The Generals* Thomas E. Ricks, 2012-10-30 A New York Times bestseller An epic history of the decline of American military leadership from the bestselling author of *Fiasco* and *Churchill and Orwell* While history has been kind to the American generals of World War II Marshall Eisenhower Patton and Bradley it has been less kind to the generals of the wars that followed such as Koster Franks Sanchez and Petraeus In *The Generals* Thomas E Ricks sets out to explain why that is In chronicling the widening gulf between performance and accountability among the top brass of the U S military Ricks tells the stories of great leaders and suspect ones generals who rose to the occasion and generals who failed themselves and their soldiers In Ricks s hands this story resounds with larger meaning about the transmission of values about strategic thinking and about the difference between an organization that learns and one that fails

**The Generals** Winston Groom, 2015 Groom tells the intertwined and uniquely American tales of George Patton Douglas MacArthur and George Marshall These three remarkable men of arms who rose from the gruesome hell of the First World War to become the finest generals of their generation during World War II redefined America s ideas of military leadership and brought forth a new generation of American soldier Against the backdrop of the most dramatic moments of the twentieth century you ll discover new insights into the lives of America s most celebrated warriors

*The Generals* Per Wahloo, 2013-06-18 From Per Wahl co author with his wife Maj Sj wall of the internationally bestselling Martin Beck series of mysteries comes a political satire told as a court transcript about the court martial of a general gone rogue Time the not too distant future Place a small island in the temperate zone Scene air force headquarters Corporal Edwin Velder is on trial for his life accused of acts against the military government and society As the proceedings unfold we learn of a country s descent into political tyranny a civil war erupted in the face of a secret armed force bringing the current generals to power The military tribunal forces Velder to reconstruct the events battles and final defeat of the island rebellion As the inevitable verdict is pronounced Velder s testimony just might bring to bear yet another political revolution

**The History of Greece** Ernst Curtius, 1870

**The Military History of the Spring and Autumn Period and the Warring States Period** Li Shi, The book is the volume of *The Military History of the Spring and Autumn Period and the Warring States Period* among a series of books of *Deep into China Histories* The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the *Bamboo Annals* 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world s oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou

government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period. These states became independent and warred with one another in the following Warring States period. Much of traditional Chinese culture, literature, and philosophy first developed during those troubled times. In 221 BC, Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin, marking the beginning of imperial China. However, the oppressive government fell soon after his death and was supplanted by the longer-lived Han dynasty (206 BC–220 AD). Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly. In the 21 centuries from 206 BC until AD 1912, routine administrative tasks were handled by a special elite of scholar-officials. Young men well-versed in calligraphy, history, literature, and philosophy were carefully selected through difficult government examinations. China's last dynasty was the Qing (1644–1912), which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949. Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood, the most recent being the Chinese Civil War (1927–1949). China was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population. Between eras of multiple kingdoms and warlordism, Chinese dynasties have ruled parts or all of China in some eras; control stretched as far as Xinjiang and Tibet as at present. Traditional culture and influences from other parts of Asia and the Western world, carried by waves of immigration, cultural assimilation, expansion, and foreign contact, form the basis of the modern culture of China.

**Hellenica; Books I-II**  
Xenophon, 1888     *The Life and Times of Pancho Villa* Friedrich Katz, 1998 Based on archival research, this study of Pancho Villa aims to separate myth from history. It looks at Villa's early life as an outlaw and his emergence as a national leader and at the special considerations that transformed the state of Chihuahua into a leading centre of revolution.

**Assignment of Ground Forces of the United States to Duty in the European Area** United States. Congress. Senate. Committee on Foreign Relations, United States. Congress. Senate. Committee on Armed Services, 1951. Considers sense of Senate resolution against stationing of U.S. ground forces in Europe without a congressionally authorized policy. Focuses on U.S. role in NATO.

*The Cyclopedic Review of Current History*, 1903     *Greece: I. Legendary Greece. II. Grecian History to the Reign of Peisistratus at Athens* George Grote, 1900

**A History of Greece from the Earliest Times to the Macedonian Conquest** Charles Oman, 1890     *Report of the Secretary of War, Communicating the Report* George Brinton McClellan, 1857

*Sukarno and the Indonesian Coup* Helen-Louise Hunter, 2007-05-30 On September 30, 1965, six of Indonesia's highest ranking generals were killed in an effort by President Sukarno to crush an alleged coup. The events of that were part of a rapidly growing power struggle between pro and anti-communist factions. The elimination of the generals, however, did little to increase and preserve Sukarno's power, though, and he was stripped of the presidency in 1967. Hunter's work is a unique and original examination of the events that culminated on that night in September 1965. It is the first detailed account of the

Indonesian Coup that reveals the previously unknown workings of the PKI's ultra secret Special Bureau a clandestine organization within the Communist Party that may be the prototype of other similar entities that flourished around the world in the mid 50s and 60s No such expose of secret communist organizations committed to covert killings of the top military or political leaders of the country has ever been published She establishes beyond any doubt that the PKI under Chairman Aidit's direction using the capabilities of a secret organization within the PKI that only Aidit and a handful of trusted high level members of the Communist Party even knew about and most importantly acting with President Sukarno's full knowledge and approval planned and then dramatically failed to execute a bold plan to kill the top leadership of the Army and proclaim a new socialist state under President Sukarno's leadership with PKI Chairman Aidit as his proclaimed successor At the time of the coup government analysts as well as non government scholars were of two minds Some like the group at Cornell University were convinced that the PKI Indonesian Communist Party had not been involved that the coup was the action mid level army officers against the top leadership That was the official line at the time Others were convinced that the PKI alone had planned and executed the coup in its long held desire to remove the pro U S army leadership No one at the time saw the hand of Indonesia's world famous President Sukarno in the affair

**The Generals** Benton Rain Patterson, 2005-05 The fight for the booty and beauty of New Orleans that propelled one general to the presidency
