The Overachievers:

The Overachievers Alexandra Robbins, 2006-08-08 The bestselling author of *Pledged* returns with a groundbreaking look at the pressure to achieve faced by America's teens. In *Pledged*, Alexandra Robbins followed four college girls to produce a riveting narrative that read like fiction. Now in *The Overachievers*, Robbins uses the same captivating style to explore how our high-stakes educational culture has spiraled out of control. During the year of her ten-year reunion, Robbins goes back to her high school where she follows heart-tuggingly likeable students including AP Frank who grapples with horrifying parental pressure to succeed, Audrey whose panicked perfectionism overshadows her life, Sam who worries his years of overachieving will be wasted if he doesn't attend a name-brand college, Taylor whose ambition threatens her popular-girl status, and The Stealth Overachiever, a mystery junior who flies under the radar. Robbins tackles teen issues such as intense stress, the student and teacher cheating epidemic, sports rage, parental guilt, the black market for study drugs, and a college admissions process so cutthroat that students are driven to suicide and depression because of a B- with a compelling mix of fast-paced narrative and fascinating investigative journalism. *The Overachievers* aims both to calm the admissions frenzy and to expose its escalating dangers.

The Overachievers Peter H. Engel, 1976 *The Overachiever's Reset* Fleur Marks, 2026-06-15 The ambition that built your career shouldn't be the thing that breaks you. You've built an impressive life. You deliver, you perform, and you rise to every demand. Yet beneath the achievement is a quiet truth: many high performers recognize the version of success you've been living is no longer sustainable. If you feel stretched, tired, or unseen inside your own life, you are not alone. Author Fleur Marks was a relentless overachiever until a health crisis forced her to confront the cost of this pace. What followed was a radical reset of how she lived, led, and defined her worth. This book is that reset. It doesn't ask you to reduce your ambition. It offers a new way to pursue it without losing yourself in the process. You'll uncover the beliefs that drive overachievement, neutralize unhelpful perfectionism, and build a healthier path to impact, influence, and fulfillment. Name what's breaking you. Recognize the invisible forces driving you to the edge and understand why everything that made you successful is now quietly tearing you down. Reset your mindset from the inside out. Master the three shifts that change everything: say enough, already drop the masks, and loosen your grip. Redefine success so it includes you. Stop chasing more at the cost of yourself and create your own reimagined ambition. Lead with impact. Discover how to show up intentionally, set brave boundaries, and create more impact by focusing on what matters. Make it stick with your reset blueprint. Implement the practices, rituals, and systems that turn sustainable high performance into your new way of life. You don't have to wait for permission to live and lead differently. A different way becomes possible the moment you choose it. Start your new beginning right now, wherever you are, with *The Overachiever's Reset* as your roadmap.
