The Perfect Business Plan Made Simple William Lasher, Ph.D., 2010-04-21 Successfully start your own profitable business. Starting your own business is an American Dream. But raising money requires a polished business plan that sells financial backers on your idea. The Perfect Business Plan Made Simple approaches the business plan as a sales document that will persuade bankers and venture capitalists to invest in your new or growing enterprise. Featuring examples and detailed sample plans, this updated edition addresses legal concerns and special issues unique to internet-based businesses. Detailed writing instructions, overviews of the funding process, and explanations of why certain arguments are crucial make this guide invaluable to both novices and experienced entrepreneurs. Important topics include your business's mission and strategy, the written plan, and the role of presentations, the target audience, principle-making, financial projections, how to make and present a marketing plan, special considerations for service businesses, contingencies, what you'll do if things go wrong, legal and ownership issues, dot-com businesses, a self-test to see if you're cut out to be an entrepreneur. The Ideal Business Formula Pat Rigsby, 2018-05-30 Pat Rigsby asked himself one vital question: What is business success for me? Because feeling like his business owned him instead of the other way around certainly was not part of his definition of success. He vowed to make a change, and after much research, Pat Rigsby's IDEAL business was formed. He created a business based on his life goals, which transformed his life into something that was ideal for him and his family. Now he's sharing everything he's learned to help you do the same. The IDEAL Business Formula is the quintessential guide designed to help you combine professional success with personal satisfaction in a way that most people think is impossible. By using his IDEAL Business Rules and Principles, Pat Rigsby takes the guesswork out of creating a business and life of fulfillment. Furthermore, he elaborates on concepts such as creating
