
Strategic Tips on How To **Pick the Perfect Gift**

Observe Carefully

If you're giving a gift to someone you don't know very well, observing them helps tremendously. Ask friends of friends about their interests and hobbies to find a gift they'll appreciate. If you're friends with them on social media, browsing their profile can help you better understand who they are outside of a social or professional situation.

Choose a Theme

Perhaps you know someone who lives a stressful lifestyle and needs some TLC. As a result, you can create a themed gift basket full of goodies they'll love. If you know someone who needs some downtime and relaxation, you can gift them miniature cosmetic goods to help them unwind after a long day.

Make It a Trip

Sometimes a physical gift isn't enough to show appreciation to someone you love. If you have a group of friends who desperately need to get out of town, surprise them with an impromptu trip to the next town for the weekend. You can handle most of the planning and have everyone chip in for something during the trip.

Make It Charitable

Being friends with someone who prefers spending their weekends doing charity or volunteer work is an admirable and kindhearted action that motivates others. If you know someone that's passionate about helping others through their time, consider gifting a charity on their behalf. Whether donating canned goods to food drives, volunteering at soup kitchens, or participating in a charity fundraiser, your actions won't go unnoticed.
