The Art of Rhetoric Aristotle, Harvey Yunis, 2018 Aristotle's Art of Rhetoric is a treatise concerning the theory and practice of the most dynamic form of discourse in Classical Greece The Rhetoric was a touchstone for all later ancient writers on the subject from the Stoics to Cicero

Methods in Historical Corpus Pragmatics Daniela Landert, 2024-02-28 Based on an extensive corpus based study this revealing book explores how epistemic stance is expressed in the early modern period and in doing so presents new methodologies for using corpora to investigate issues in historical pragmatics It provides a new corpus driven method for the analysis of pragmatic functions that rely on context dependent interpretations By retrieving passages that include a high density of the pragmatic function under investigation the subsequent analysis can reveal previously neglected forms and context dependent factors It includes four empirical studies that apply the method to the analysis of epistemic stance in four Early Modern English corpora the result of which emphasise the importance of context for the expression of stance It also includes an appendix with inventories of Early Modern English stance expressions offering starting points for further research studies It is essential reading for researchers and students in historical pragmatics and corpus pragmatics

Thou and You in Early Modern English Dialogues Terry Walker, 2007 This book is a corpus based study examining thou and you in three speech related genres from 1560 1760 a crucial period in the history of second person singular pronouns spanning the time from when you became dominant to when thou became all but obsolete The study embraces the fields of

corpus linguistics historical pragmatics and historical sociolinguistics Using data drawn from the recently released A Corpus of English Dialogues 1560 1760 and manuscript material the aim is to ascertain which extra linguistic and linguistic factors highlighted by previous research appear particularly relevant in the selection and relative distribution of thou and you Previous research on thou and you has tended to concentrate on Drama and or been primarily qualitative in nature Depositions in particular have hitherto received very little attention This book is intended to help fill a gap in the literature by presenting an in depth qualitative and quantitative analysis of pronoun usage in Trials Depositions and for comparative purposes Drama Comedy

Harry Potter and the Philosopher's Stone. A Combination of Genres Natalie Schneider,2018-12-06 Seminar paper from the year 2018 in the subject Didactics for the subject English Literature Works Karlsruhe University of Education language English abstract The following essay aims to find answers to the question of how the combination of several different genres contributes to the fascination of the Harry Potter novels This will due to space restrictions be achieved through an exemplary analysis of the three genres that were amongst the most frequently mentioned in connection with the Harry Potter books Fantasy the folktale and the school story Before taking a closer look at the three major genres of Harry Potter the following chapter will first of all briefly define the concept of genre in general give a short explanation of how genres can be used in terms of marketing strategies and of how they can influence the reader The main emphasis of the essay will be on the following three chapters that are more or less constructed equally and contain in each case one of the above mentioned genres In the first part of each chapter the genre will be defined and examined according to its origins followed by an analysis of the main characteristics that constitute each genre Subsequently the characteristics of each genre will be analysed within Harry Potter and the Philosopher s Stone to show that Rowling s book series actually incorporates the different genres Finally it will be illustrated how the three different genres affect the reader leading to the fascination of the novels As the fantasy genre influences all the others this genre will be presented first and the most extensive followed by the folktale and ultimately the school story

Genre Unchained. Quentin Tarantino's "Django Unchained" as Genre Hybrid Stephan Jaskolla,2019-12-09 Seminar paper from the year 2014 in the subject American Studies Miscellaneous grade 1 7 University of Dusseldorf Heinrich Heine language English abstract In this paper Tarantino s movie Django Unchained will be analyzed in respect of the genres that can be applied to it in order to figure out whether it is a genre hybrid and what effects this hybridity has Due to the limited scope this term paper will focus on the two genres that have probably been the most controversial ones with regard to this movie the spaghetti Western and the Blaxploitation Movie and furthermore touch upon the Buddy Movie genre What kind of film do you want to see is a question that often arises before people turn towards a movie be it in cinema or elsewhere But what do they mean with a kind of film One could paraphrase this expression with one single word genre Genres help people to classify movies and affect their expectations towards the movie they are going to see Someone watching a romance will be expecting something different than somebody

watching a horror film Furthermore many movies cannot be specified to be of only one genre but show properties of several different genres

Introduction to Probability Mark Ward, Ellen Gundlach, 2015-06-12 Unlike most probability textbooks which are only truly accessible to mathematically oriented students Ward and Gundlach's Introduction to Probability reaches out to a much wider introductory level audience Its conversational style highly visual approach practical examples and step by step problem solving procedures help all kinds of students understand the basics of probability theory and its broad applications The book was extensively class tested through its preliminary edition to make it even more effective at building confidence in students who have viable problem solving potential but are not fully comfortable in the culture of mathematics

The Poetry Journal, 1912

Music Drama at the Paris Odeon, 1824-1828 Mark Everist, 2002-12-04 Parisian theatrical artistic social and political life comes alive in Mark Everist's impressive institutional history of the Paris Od on an opera house that flourished during the Bourbon Restoration Everist traces the complete arc of the Od on's short but highly successful life from ascent to triumph decline and closure He outlines the role it played in expanding operatic repertoire and in changing the face of musical life in Paris Everist reconstructs the political power structures that controlled the world of Parisian music drama the internal administration of the theater and its relationship with composers and librettists and with the city of Paris itself His rich depiction of French cultural life and the artistic contexts that allowed the Od on to flourish highlights the benefit of close and innovative examination of society's institutions

The Map and the Landscape Philip Shaw, 2006 This volume explores the complex relations between norms and exemplars of genres from business and technical communication Contributors compare a variety of types of norm with textual practices in a variety of ways The genres examined are typical of the range of audiences and media of workplace and business communication product withdrawal notices press releases job ads oral presentations sales letters and tenders chairman's reports and technical reports They are compared with norms set by teachers by unimaginative practice by more or less self appointed experts or by practitioners who may not share the national or professional culture of their colleagues However accurate these may be they never do justice to the complexity of reality The contributors to this volume use a wide variety of methods in their attempt to capture this reality Many analyse texts but all combine this procedure with at least one other approach and often more questionnaires experiments assessing the effect of manipulated texts analysis of practitioner comments and use of natural sources of practitioner judgements like awards for good practice

Promised Lands David M. Wrobel, 2002 Whether seen as a land of opportunity or as paradise lost the American West took shape in the nation's imagination with the help of those who wrote about it but two groups who did much to shape that perception are often overlooked today Promoters trying to lure settlers and investors to the West insisted that the frontier had already been tamed that the only frontiers remaining were those of opportunity Through posters pamphlets newspaper articles and other printed pieces these boosters literally imagined places into existence by depicting backwater areas as settled culturally developed regions where newcomers would

find none of the hardships associated with frontier life Quick on their heels some of the West's original settlers had begun publishing their reminiscences in books and periodicals and banding together in pioneer societies to sustain their conception of frontier heritage Their selective memory focused on the savage wilderness they had tamed exaggerating the past every bit as much as promoters exaggerated the present Although they are generally seen today as unscrupulous charlatans and tellers of tall tales David Wrobel reveals that these promoters and reminiscers were more significant than their detractors have suggested By exploring the vast literature produced by these individuals from the end of the Civil War through the 1920s he clarifies the pivotal impact of their works on our vision of both the historic and mythic West In examining their role in forging both sense of place within the West and the nation's sense of the West as a place Wrobel shows that these works were vital to the process of identity formation among westerners themselves and to the construction of a West in the national imagination Wrobel also sheds light on the often elitist sometimes racist legacies of both groups through their characterizations of Native Americans African Americans Mexican Americans and Asian Americans In the era Wrobel examines promoters painted the future of each western place as if it were already present while the old timers preserved the past as if it were still present But as he also demonstrates that West has not really changed much promoters still tout its promise while old timers still try to preserve their selective memories Even relatively recent western residents still tap into the region's mythic pioneer heritage as they form their attachments to place Promised Lands shows us that the West may well move into the twenty first century but our images of it are forever rooted in the nineteenth

The Publishers Weekly, 1929 **Journal of the American Oriental Society**, 1925 List of members in each volume **American Character and Other Essays** John Erskine, 1927 **Upton's Regulars** Salvatore G. Cilella, 2009 The harsh realities of Civil War life as seen through the eyes of the hard fighting upstate New York regiment the 121st New York State Volunteer Infantry Regiment Combs letters diaries and memoirs to let the soldiers recount the war in their own words following them from enlistment through combat and back to civilian life
