

A person stands on a long wooden pier extending into a calm body of water at sunset. The sky is filled with soft, colorful clouds in shades of blue, orange, and yellow. The water reflects the sky and the pier. The overall mood is peaceful and contemplative.

To See His Goodness:

The Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully

Discourses Upon the Existence and Attributes of God Stephen Charnock, 1856 *You Can Overcome the Jealousites in Your Life* KaShana K. J. Gallentine, 2011-02 What is a jealousite you might ask The term jealous means very watchful or careful in guarding or keeping resentfully suspicious of a rival or a rival's influence resentfully envious resulting from such feelings requiring exclusive loyalty An ite is a native inhabitant or citizen of a descendent from or offspring of an adherent of believer in or member of A jealousite is anyone that God wants to deal with who is in need of cleansing from jealousy and envy in your territory and life even if it's yourself So you've fallen into the pit of sin and jealousy and envy has a hold on you Is it too late for you or those in your territory or life who may be struggling with this sin The answer is no So many are stuck or at a stand still in life while others are watching enviously at those who are pursuing ahead We can no longer ignore this crisis for it affects our relationships on all levels Whether it be in your home in the workplace in your school in your church in your family in your friendships or in your nation Jealousy and envy is lurking through the eyes and hearts of those who are in need of a God-sized transformation If you are tired of living an average defeated self consumed and insecure life this book was designed with you in mind You don't have to sit back and watch others get to the finish line You can get in the race and finish your course also No longer do you have to compare yourself to others but you can find peace with God and others by accepting your value and worth You yes you are called to make a difference and a contribution in the lives of others This book's message is a beckoning call for healing deliverance restoration and forgiveness to the broken hearted If you've been desiring to get ahead in life to advance beyond the pain sufferings and struggles you've been experiencing this is your time
