To Set The Record Straight:

Setting the Record Straight United States. Congress. Senate. Committee on the Judiciary, 2003 *To set the record straight* John J. Sirica, 1975 Let's Set the Record Straight Malachi York, 1993-06 **Dare to Dream** Jeffrey Hunter, 2018-01-17 Dare to Dream Sermons for African American Self Esteem is a collection of thirty five sermons with a message of liberation hope and high self esteem The Rise and Fall of Faith Drew Bekius, 2017-07-01 The story of religion in the twenty first century West has been defined in part by the stories of once zealous pastors moving beyond their faith to embrace a life of reason But too often and too quickly ardent believers dismiss such accounts as aberrations and fail to consider the real life implications for those who make this transition Atheists and other skeptics meanwhile struggle to understand what took these individuals so long to make such a journey and why others aren't lining up more quickly to do the same As a result the questions posed by one side inevitably mirror those asked by the other Why do believers trust in God the way they do But what factors lead atheists to dismiss religious beliefs so easily How can believers have faith in the face of known science and history But what allows anyone to be so sure their beliefs are based in reality What would it take for believers to stop believing in God But what would it take for nonbelievers to start to believe Drawing on the author's own story as a former evangelical pastor powerless to stop his turn to atheism *The Rise and Fall of Faith* touches on these and other questions inviting readers into a long overdue conversation between Christians and atheists While the aim of the book is to initiate this much needed discussion the author encourages all who care about the future of humanity to carry the dialogue forward whether in the evaluation of our own inner thoughts in the assumptions we make about the other side or in how we work together in the pursuit of understanding and common ground as we navigate the world's ever changing and increasingly challenging religious and cultural landscape **What Catholics Really Believe--setting the Record Straight** Karl Keating, 1992 Keating addresses 52 common misconceptions about the Catholic faith that are held by many Catholics and other Christians such as papal infallibility the place of Mary annulment and divorce and more Drawing upon Scripture and the wealth of Catholic tradition Keating not only shows the logical errors in these positions but clearly spells out the true Catholic teaching and explains the rationale behind church doctrines and practices When One Stood Alone Donald Farinacci, 2009-06 **United States V. Nixon** Larry A. Van Meter, 2009 A presidential scandal that rocked the country resulted in this landmark Supreme Court case on the issue of executive power When it was discovered that President Richard Nixon kept audio tapes of all conversations conducted in the Oval Office prosecutors subpoenaed those tapes to prove that the President and his aides were abusing their power *United States v Nixon* is the stunning account of how Nixon's unwillingness to comply eventually led to the involvement of the Supreme Court who unanimously decided that the president of the United States does not have absolute power This volume's expert writing and robust design capture the tense atmosphere surrounding this historic decision which eventually led to Nixon's resignation in August 1974
