

A person stands on a dark, silhouetted hill against a vibrant sunset sky. The sun is low on the horizon, creating a bright glow and casting a long shadow of the person. A multi-colored rainbow arches across the sky, starting from the top left corner and extending towards the right. The overall mood is contemplative and serene.

The Exodus Breaking Cycles and Changing Lives Rev. Patrina M. Wright,2011-12-21 Each year in the United States an estimated two to six million women are victims of domestic violence Domestic violence is a pattern of assaultive and coercive behaviors including physical sexual financial spiritual and psychological abuse Domestic violence is about control manipulation and domination Ninetyfive percent of assaults on spouses or ex spouses are committed by men against women Too afraid and too shame to speak up there are countless numbers of women sitting in Churches all across America suffering in silence Victims and perpetrators are from all ages racial socioeconomic sexual orientation educational occupational geographic and religious groups If you or someone you know has ever experienced domestic violence you are in need of a personal life changing encounter with a powerful God One who delights in healing wounds and setting the captive free The Exodus is that kind of encounter its about coming face to face with a Holy God as He does those things that you cannot do for yourself The Hidden Sanctuary Jesse Brett,1920 **Surrender, Going Through God's Providential Love and Care...**, **The Living Age** ,1905 **Proceedings [first-third Meetings]**. Delisle,1964      Nursing at Home Page Parker,Lois N. Dietz,1980      **Book of the Beloved** Mairi Colme,2008-03-27 A Christian mystical text containing the revelation made to a young girl in a Benedictine monastery in the mountains of Austria in 1974 It is a revelation of the extraordinary quality of the love of God communicated not through light and joy but through a dark and powerful suffering which she identified as the mystery of Christs cross The original manuscript was faithfully written down as a direct record of this experience It takes the form of a dialogue or interaction between God as the Lover of the soul and Maria as His Beloved A major theme is the struggle of the Beloved to overcome the Yes buts of human nature in order to be able to say a perfect Yes to her Maker Each dialogue moves through suffering and miscomprehension towards final happiness and liberation prefiguring the change from death to resurrection The manuscript remained a puzzle to its writer for eighteen years at which point she gained an insight into the moment of self yielding which transforms the suffering into bliss It was then whilst staying in an Austrian farmhouse on a mountain side that she wrote the poetry which re interprets the text as a hymn to the Star Love of ecstatic intensity Over thirty years after the original event realising the experience may also have meaning for others the writer worked on the manuscripts During a period of deep reflection at her home in Scotland she then wrote the commentaries She hopes that this book a lifetimes endeavour may prove enlightening to others as to the nature of Gods love
