Washington Babylon:

Washington Babylon Mark Hyman, 2019-10-22 Political financial erotic and bizarre This is a snapshot of more than 125 scandals that have rocked the nation's capital and beyond Since America's founding the nation's capital has experienced more than its share of scandals thankfully Washington Babylon explores some of the dirtiest secrets that have occurred throughout US history Some are from the earliest days of America's founding and include the most famous people in history like George Washington Others are still fresh in our minds as the dust has not even settled In between US history is littered with scandals from nearly all walks of life that were the most talked about stories at the time Many past scandals remain infamous such as Watergate Chappaquiddick and Abscam Other scandals that were once the biggest stories of the day have faded into obscurity Washington Babylon reveals new details in some scandals that were not known when the story first broke offering a whole new perspective for discussion This is the most comprehensive collection of American scandals that will educate entertain shock and perhaps even titillate the reader

Washington Babylon Alexander Cockburn, Ken Silverstein, 1996 Washington Babylon describes in shocking detail the corruption of the political establishment Republicans and Democrats alike Journey through Babylon's darkest regions and you will learn how Babylon's millionaire journalists connived to deny money to disabled children how House Speaker Newt Gingrich really spells F A M I L Y V A L U E S and how he spent his student days at Tulane campaigning for sex photos in a student newspaper how Commerce Secretary Ron Brown lobbied for Haitian monster Baby Doc Duvalier and Guatemalan torturers how the co director of the Los Alamos National Laboratory searched for Atlantis tried to train dolphins in ESP suspected aliens were impregnating earth women how Big Oil's tax exempt foundations bought up the green elite while reaping millions from rape and pillage investments how 80 000 lobbyists have bought out Babylon and how Bill and Hillary Clinton struck a devil's pact with Big Money nearly twenty years ago

Blackwater Jeremy Scahill, 2011-05-26 Meet Blackwater USA the private army that the US government has quietly hired to operate in international war zones and on American soil Its contacts run from military and intelligence agencies to the upper echelons of the White House it has a military base a fleet of aircraft and 20 000 troops but since September 2007 the firm has been hit by a series of scandals that far from damaging the company have led to an unprecedented period of expansion This revised and updated edition includes Scahill's continued investigative work into one of the outrages of our time the privatisation of war

The Shadow World Andrew Feinstein, 2011-11-08 **The Shadow World** presents the behind the scenes tale of the global arms trade exposing in forensic detail the deadly collusion that too often exists among senior politicians weapons manufacturers felonious arms dealers and the military a situation that compromises our security and undermines our democracy Now a major PBS documentary An authoritative guide to the business of war Chilling heartbreaking and enraging Arundhati Roy Andrew Feinstein reveals the cover ups behind a range of weapons deals from the largest in history between the British and Saudi governments to the guns for diamonds deals in Africa and the

current 60 billion U S weapons contract with Saudi Arabia Based on pathbreaking reporting and unprecedented access to top secret information *The Shadow World* takes us into a clandestine realm that is as vitally important as it is shocking **The Nation** ,1997 **Pardongate** Mark Hyman,2020-06-30 Bill Clinton s abrupt departure from long standing precedent was an astonishing abuse of the Justice Department processes and underscored the shady wheeling and dealing that was common in the Clinton orbit Bill Hillary and brothers Roger Clinton Hugh Rodham and Tony Rodham all profited financially or politically from hustling dozens of pardons to some of history s most undeserving recipients These ranged from worldwide pariah Marc Rich to a cocaine trafficking kingpin to murderous terrorists who hadn t even requested executive clemency A third of the final day pardons bypassed Justice Department review and went straight to Bill for approval Dozens of recipients hadn t even filed a petition In the final hours of Bill Clinton s last day in office the pardon attorney was frantically preparing paperwork for recipients whose names were misspelled or whose addresses were unknown It was a free for all The brothers were paid hundreds of thousands of dollars to privately lobby Bill for pardons some of which never materialized But the brothers were still paid Hillary collected political and financial IOUs she later cashed in when she sought political office For most of his presidency Bill was one of the stingiest presidents of all time when it came to the awarding official forgiveness to felons but the pardon floodgates opened when Hillary began her run for the US Senate It was the selling of pardons for money and influence that launched the Clintons nearly two decade pay for play scheme a scheme that not only amassed billions of dollars for the Clinton Foundation and hundreds of millions of dollars for the Clintons but also catapulted Hillary into a presidential front runner Pardongate reveals details of the Clinton machine that will leave even the most informed citizens appalled *State of New York* Henry Kollock,1882 **Warmonger** Jeremy Kuzmarov,2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband s support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton s Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton s foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David

Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent
