

The image shows the front cover of a red book. The cover is a deep red color with a slightly textured surface. In the center, the word "WATERLOO" is printed in a black, serif, all-caps font. The text is enclosed within a decorative rectangular frame consisting of multiple parallel lines. At each of the four corners of the inner frame, there are small, stylized decorative motifs that resemble floral or scrollwork designs. The spine of the book is visible on the left side, showing several raised bands. The book is set against a plain, light-colored background.

Waterloo A Novel:

Waterloo: A Novel Frederick E. Smith, H. A. L. Craig, 1970-01-01 **Waterloo** Karen Olsson, 2006-11-14 You're in a slump Nick Lasseter's boss is talking about his job performance as a reporter for the Waterloo Weekly but he might as well be talking about Nick's whole life His current assignment a profile of a legendary liberal ex congressman is in trouble even before his subject abruptly dies His sexy girlfriend has spurned him in favor of a muffin magnate His uncle a booze fueled political operative has decided to crash on Nick's couch after being thrown out of his own house And Nick's best friends and ex bandmates seem to spend more and more of their time at the local bar hazily lamenting a lost golden age of high ideals and low cover charges that suspiciously coincides with their own rapidly disappearing youth When Nick grudgingly agrees to write a piece about a rising female Republican legislator he stumbles onto a political fight in which the good guys and bad guys start to seem interchangeable And not even the deceased can be relied on to stick to their stories when Nick gets involved with the late congressman's confidante a young woman who has her own hidden ties to the town's history As they search the dim depths of a civic past that's anything but dead and buried they find that some things never change things like the moral ambiguity of practical politics and the sad hilarious cluelessness of young men in love Bittersweet and biting elegiac and sharply observed *Waterloo* is a portrait of a generation in search of itself and a love letter to the slackers rockers hustlers hacks and hangers on who populate Austin Texas from a formidable new intelligence in American fiction

Waterloo, 1970 *One of the 28th* George Alfred Henty, 1890 **Waterloo** Bernard Cornwell, 2014-09-11 In his first work of non fiction Cornwell combines his storytelling skills with a meticulously researched history to give a riveting account of every dramatic moment of the Battle of Waterloo from Napoleon's escape from Elba to the smoke and gore of the battlefields Through letters and diaries he also sheds new light on the private thoughts of Napoleon and the Duke of Wellington as well as the ordinary officers and soldiers **The Longman Companion to Victorian Fiction** John Sutherland, 2014-10-13 With over 900 biographical entries more than 600 novels synopsisized and a wealth of background material on the publishers reviewers and readers of the age the Longman Companion to Victorian Fiction is the fullest account of the period's fiction ever published Now in a second edition the book has been revised and a generous selection of images have been chosen to illustrate various aspects of Victorian publishing writing and reading life Organised alphabetically the information provided will be a boon to students researchers and all lovers of reading The entries though concise meet the high standards demanded by modern scholarship The writing marked by Sutherland's characteristic combination of flair clarity and erudition is of such a high standard that the book is a joy to read as well as a definitive work of reference *One of the 28th* G a Henty, 2020-04-17 Although in the present story a boy plays the principal part and encounters many adventures by land and sea a woman is the real heroine and the part she played demanded an amount of nerve and courage fully equal to that necessary for those who take part in active warfare Boys are rather apt to think

mistakenly that their sex has a monopoly of courage but I believe that in moments of great peril women are to the full as brave and as collected as men Indeed my own somewhat extensive experience leads me to go even further and to assert that among a civil population untrained to arms the average woman is cooler and more courageous than the average man Women are nervous about little matters they may be frightened at a mouse or at a spider but in the presence of real danger when shells are bursting in the streets and rifle bullets flying thickly I have seen them standing kitting at their doors and talking to their friends across the street when not a single man was to be seen
