Korean Shamanism Chongho Kim,2018-01-18 Title first published in 2003 Shamanism has a contradictory position within the Korean cultural system leading to the periodical suppression of shamanism yet also paradoxically ensuring its survival throughout Korean history This book examines the place of shamans within contemporary society as a cultural practice in which people make use of shamanic ritual and disputing the prevalent view that shamanism is popular culture a women s religion or performing arts Directly confronting the prejudice against shamans and their paradoxical situation in a modern society such as Korea this book reveals the cultural discrepancy between two worlds in Korean culture the ordinary world and the shamanic world showing that these two worlds cannot be reconciled This unique study of shamanism offers a significant contribution to growing studies in indigenous anthropology and indigenous religions and provides a captivating read for a wide range of

readers through retelling the stories never to be told involving shamanic ritual The Shaman's Revenge Violet Mary Irwin,1925 **Have Colourful Dreams, Sir** Masoud Shakarami,2018-08-01 The revered Persian poets and philosophers of the 13th and 14th century such as Saadi and Hafez wrote lyrical poems called Ghazals that recounted tales of love in all its splendour and tragedy The love described differed from western notions of love Ghazals spoke of separation and pain that demanded complete surrender and total sacrifice Have Colourful Dreams Sir is a contemporary adaptation of the lyrical poems of old It is a play steeped in symbolism and metaphors It takes us to an island where a magical shaman a hapless yet mysterious cripple a beautiful maiden and a baker of enchanted cookies are faced with a dilemma that demands a solution This is a play that is thought provoking yet remarkably simple in its telling Any reader who has ever fallen in love will identify with the dangers and perils that such an affliction can bring It will leave you pondering the complex condition of the emotion which we all must inevitably face Award winning actor and playwright Masoud Shakarami s first English translation of the play which won first prize in the Fajr International Theatre Festival will be sure to entertain and delight There is only one way to understand a Ghazal and it is not to study it for years nor visiting various countries nor becoming familiar with the great poets To understand Ghazal you only have to drink wine and fall in LOVE So pour a glass and immerse yourself in a play all about love **Anthropological Papers of the American Museum of Natural History** American Museum of Natural History,1928 Journal - Royal Anthropological Institute of Great Britain and Ireland Royal Anthropological Institute of Great Britain and Ireland,1895 Journal of the Royal Anthropological Institute Royal Anthropological Institute of Great Britain and Ireland,1895 The Journal of the Royal Anthropological Institute ,1895 Journal of the Royal Anthropological Institute of Great Britain and Ireland ,1895 **The Mythology of All Races ...** Louis Herbert Gray,George Foot Moore,John Arnott MacCulloch,1927
