We Agreed to be Different Annemiek van der Veen, Dolly Verhoeven, 2005

Behind the Tapestry M. Rose Peluso, 2021-01-29 Behind the Tapestry is the compelling true story told from behind convent walls of one woman's struggles to make peace with a mysterious chronic illness and her unfulfilled dream of being a Catholic nun Maryanne was a 29 year old graphic designer working towards a lifelong desire to someday move to Hollywood and become an Academy Award winning art director But an unexpected invitation to a Catholic prayer meeting would forever change Maryanne's life

showing her desires she didn't know she possessed. After being abruptly fired from her job and spending a lot of time in prayer, Maryanne embarked on a journey to discover God's will for her life. This quest eventually led her to the Catholic Convent and the realization that all she's ever really wanted was to devote herself to Jesus. Entering Religious Life was all that Maryanne thought about for more than a year, but there was a problem. She found herself plagued by a mysterious condition that caused widespread chronic pain. However, in spite of this pain, Maryanne joined a group of Franciscan Sisters in 1999. Her life in the Convent was filled with many questions, struggles, challenges, and a whole lot of physical pain. Then, when already strained relationships with her superiors became even more fractured with the lines of communication practically severed, Sister Maryanne was forced to make a heart-wrenching decision: One that would not only impact her life but the lives of those around her. Should she remain in the Convent and go on to take final vows or leave her Religious Life behind and take care of herself instead?

Red Lip Theology Candice Marie Benbow, 2022-01-18. A moving essay collection promoting freedom, self-love, and divine wholeness for Black women and opening new levels of understanding and ideological transformation for non-Black women and allies. Candice Marie Benbow is a once-in-a-generation theologian, the kind who having ground dogma into dust with the fine point of a stiletto leads us into the wide open spaces of faith. Brittney Cooper, author of *Eloquent Rage* and co-editor of *The Crunk Feminist Collection*, blurring the boundaries of righteous and irreverent. *Red Lip Theology* invites us to discover freedom in a progressive Christian faith that incorporates activism, feminism, and radical authenticity. Essayist and theologian Candice Marie Benbow's essays explore universal themes like heartache, loss, forgiveness, and sexuality, and she unflinchingly empowers women who struggle with feeling loved and nurtured by church culture. Benbow writes powerfully about experiences at the heart of her Black womanhood. In honoring her single mother's love and triumphs and mourning her unexpected passing, she finds herself forced to shed restrictions she'd been taught to place on her faith practice. And by embracing alternative spirituality and womanist theology and confronting staid attitudes on body positivity and LGBTQ rights, Benbow challenges religious institutions, faith leaders, and communities to reimagine how faith can be a tool of liberation and transformation for women and girls.

Children's Books and Their Creators Anita Silvey, 1995.
