Observing What Is Not Happening Nndy Nenty,2014-01-27 Observing What Is Not Happening is a continuation of the author s first memoir Where Your Knowledge Ends Is Where Mine Begins Six chapters of this second memoir are ageless they stem from the Word of God They are predicated on the Word of God Observing what isn t happening is a remark first made by Rush Limbaugh And it was elected to be the title of my second memoir because through the wisdom knowledge and understanding from the Holy Spirit I know all the ways of Man The ways of Man are an open book to me Man s behavior actions and attitudes are so obviously pronounced to me Observing what is not happening is predicting what Man will do regardless of how long he tarries Man will eventually do what I predict I m writing this book at age thirty three the same age Jesus Christ was before He departed the world The main characters in this memoir are God Almighty Jesus Christ and the Holy Spirit Archangel Lucifer Apostle Excel Rush Limbaugh and Iifi are other prominent characters Everything I say in this memoir stems from the Word of God Your Jesus Is too Small Douglas J. Miller,2018-02-06 We can make Jesus look very small if we are not careful Your Jesus Is Too Small explores how a trivialized Jesus contributes to a collapsed Christian moral character The 2016 election exposed the truth that for many Christians character does not count or is a very low priority Eighty one percent of white evangelicals voted for President Trump not known as a man of high moral character This collapse of character is especially troubling since Christians claim to seek after the mind and character of Jesus Christ What s more the ingrained and unrelenting cultural values combined with our inescapable self centered pursuits bombard us every moment and blight our character After noting how we belittle Jesus this book explores ways we can exalt him allowing his character traits to inform and then transform our hearts and minds A credible Jesus also means that more tongues will confess him and more knees bow before him and that more people will desire his compassionate character Then we will be morally equipped to address the great crises of our day persistent poverty the marginalizing of out groups raging violence and our planet s lingering woes **Only Conservatives Are In Their Right Minds** David L.
