The Blank Wall:

The Blank Wall Elisabeth Sanxay Holding, [The Blank Wall](#) Elisabeth Sanxay Holding, 1947 **The Blank Wall** Elisabeth Sanxay Holding, 2019-07-16 A wartime housewife is forced beyond the limits of her sheltered domestic world in order to protect her family in this 1947 classic Praised by Raymond Chandler as the top suspense writer of them all Elisabeth Sanxay Holding excelled at the exploration of domestic unease The Blank Wall exemplifies the drama of the sheltered housewife forced to take charge While her husband serves overseas during World War II Lucia Holley finds herself in the midst of a situation involving blackmail and manslaughter She becomes quickly aware that the habits of her life the domestic expectations that surround her make it difficult for her to act with even the slightest independence and she must herself begin to behave like a criminal in order to deal with a threat to her family of which they must never know In the course of the action she becomes involved with a man who is a prototypical fallen angel adding the possibility of forbidden romance The ambivalence with which Holding depicts the household sphere that Lucia works so hard to protect is matched by her subtle exploration of questions of guilt and responsibility in a middle class facade of harmony **Healing Traumatized Churches** Ronald H. Wean, 2012-05 Through the characters of his play Ron creatively invites us into the discussion and dialog so that our individual and community God given healing may continue How refreshing it is Larry R Welin D Min LPCC CEAP I began reading Healing Traumatized Churches critically However I quickly was drawn in to the book s message of hope and restoration It should be no surprise that dominant culture narcissism has groomed rogue church leaders vying for power and control destroying the fiber of many congregations Their paths are littered with broken lives and lost faith a silent epidemic But the Good News is that Jesus is still the rightful owner and authority of the Body of Christ With Ron s skills as a counselor a heart of a pastor and personal experience the symptoms of church trauma and post trauma are exposed and healing plans identified I read the entire book in one setting because as a lay leader I have experienced the effects of church trauma personally Thanks to this book I am beginning to experience closure Colonel Hoard Bud May USAF retired In praise of Healing Traumatized Churches Ron Wean give us a wonderful window through which to look at trauma The use of a dramatic script will surely allow others to look through the window and be astonished as I was that the widow becomes a mirror Rev Wean provides a way into and through our own buried traumas Rev Steven A Ingram D Min LPCC Pastoral Counselor This unique and entertaining format offers a plan for healing individuals and congregations through the power of The Cross Each scene is designed for personal meditation or to be used as a Sunday School or Book Study Series or produced in its entirety as a play for congregations and conferences [Architecture or Revolution](#) Nadir Lahiji, 2020-09-22 By linking building theory to the emancipatory project of critique advanced by radical thinkers in our time this work investigates the key conceptual and historical elements that culminate in an emancipatory theory of building entitled Toward a philosophy of shelter Taking Marx as its only resource this work proceeds with the conviction that our era is contemporaneous to Marx s

historical era This means not judging the validity of Marx from the perspective of the historical situation but rather demonstrating the validity of a Marxian perspective for a singular historical situation as ours This work will therefore translate this perspective into seeing the situation of architecture through the eyes of Marx All those concerned with the predicament in our current condition in which architecture must play a major social role in upholding the universal value of what Alain Badiou calls generic humanity will take an interest in this work In particular architects critics scholars and students inside the field of architecture who would be seeking the application of this universal value to a new theory of building will be a welcoming audience for this work
