**The Boundless God** Adrienne von Speyr,2011-08-08 The nature of God is that he cannot be bound to one place or time but he also took finite form bounded to a redemptive act and time that forever changed the world The understanding of the Triune God also brings together a certain boundedness that cannot be taken in any way to limit the bounds of the Creator In this treatment on the nature of the Lord Adrienne Von Speyr s mystical erudition is implemented to great effect allowing the reader to glimpse a view of God that many lack The fruitfulness of these meditations is evident on every page and brings the Christian view of divinity to a new and beautiful level of interpretative thought *The Blessed and Boundless God* George Swinnock,2014-07-31 From the psalmist s assertion that no one in heaven or earth is like God George Swinnock derives his principal doctrine namely God is incomparable Throughout *The Blessed and Boundless God* he proves his doctrine by demonstrating God s incomparableness in His being attributes works and words Swinnock is a pastor theologian who views theology as the means by which we grow in acquaintance with God and consequently in godliness Therefore he carefully applies his doctrine by demonstrating how God s incomparableness informs counsels and comforts us Read this book prayerfully thoughtfully and expectantly keeping in mind Swinnock s simple conviction that when we take the incomparable God as our God we are incomparably blessed Table of Contents Part 1 God s Incomparable Being Part 2 God s Incomparable Attributes Part 3 God s Incomparable Works Part 4 God s Incomparable Words Part 5 Application Series Description Interest in the Puritans continues to grow but many people find reading these giants of the faith a bit unnerving This series seeks to overcome that barrier by presenting Puritan books that are convenient in size and unintimidating in length Each book is carefully edited with modern readers in mind smoothing out difficult language of a bygone era while retaining the meaning of the original authors Books for the series are thoughtfully selected to provide some of the best counsel on important subjects that people continue to wrestle with today **A Boundless God** Jack Levison,2020-02-18 The word r a commonly translated as breath wind spirit or Spirit occurs in the Old Testament 378 times more frequently than torah shalom or Sabbath In this volume a popular Old Testament scholar whose previous books have received wide acclaim cracks open the challenging and provocative world of the Spirit in the Old Testament offering readers cogent yet comprehensive insights Grounded in scholarship yet accessible and inviting this book unlocks the world of the Spirit plunging readers into an imaginative realm of fresh senses sounds and skills The book gives readers the opportunity to recapture Israel s tenacious sense of the Spirit s energy as it was expressed by a series of vibrant verbs blowing breathing coming resting passing pouring filling cleansing standing and guiding Readers will encounter in these pages all of the Old Testament expressions of the Spirit passages that will challenge the conventional confront the commonplace and transport them to a world of wisdom work and wonder
