Betty A. Reardon

War System:

The War System Richard Falk, Samuel S Kim, 2019-08-15 An interdisciplinary study of this nature and scope reflects contributions of many scholars in diverse disciplines and fields concerned with human conflict behavior in general and with human war prone behavior in particular They are too numerous to enumerate here Still our deep gratitude goes to those scholars whose writings have been incorporated in this volume as sample representatives of what their particular disciplines can contribute to the study of war

Sexism and the War System Betty A. Reardon, 1996-05-01 This work integrates feminist scholarship with peace research to draw attention to the fundamental relationship between sexism and militarism The author sees an unhealthy imbalance of male principles in modern society leading to war aggression greed and other embodiments of masculinity
