[Instructor's Resource Book for Planning for Teaching](#) Robert William Richey, 1958 [Time-Block Planner](#) *Time-Blocking Planners*, 2022-05-17 This *Time Block Planner* is designed to help you effectively manage your time and increase your productivity. It is a simple yet powerful tool that can be used by anyone who wants to get more out of their day. It is based on the principle of time blocking which is a time management technique that involves dividing your day into blocks of time dedicated to specific activities. For example, you may block off an hour for breakfast, two hours for work, and one hour for lunch. This technique is effective because it helps you to focus on one task at a time and eliminates distractions. By using the *Time Block Planner* you will be able to increase your productivity and get more out of your day. *How to Use the Time Block Planner* Using the *Time Block Planner* is simple. First, you need to decide what activities you want to block off time for. Once you have decided on your activities, you will need to estimate how long each activity will take. After you have estimated the time for each activity, you will need to block off time in your day for each activity. Once you have blocked off time for each activity, you need to stick to your plan and not allow any distractions. If you find that you are having trouble sticking to your plan, you may want to set a timer for each activity. This will help you to focus on the task at hand and not allow any distractions. The *Time Block Planner* is a flexible tool that can be used by anyone who wants to increase their productivity. You can use it to block off time for any activity such as work, study, exercise, or even relaxation. *Benefits of Using the Time Block Planner* There are many benefits to using the *Time Block Planner*. Some of the most notable benefits include: Increased productivity. By using the *Time Block Planner*, you will be able to increase your productivity and get more out of your day.
