Spectrum Guide To Kenya:

Spectrum Guide to Kenya, 1997-01-01 *Spectrum Guide to Kenya* Mohamed Amin, 1992-10-01 *Spectrum Guide to Kenya* Mohamed Amin, 1993 **Historical Dictionary of Kenya** Robert M. Maxon, Thomas P. Ofcansky, 2014-09-09 Kenya has a long and complex history that began thousands of years ago. Indeed, some archaeologists contend that the country was the cradle of mankind or at the very least one of the places that was home to the earliest hominids. In later centuries, Kenya's strategic location astride the Indian Ocean and the East African littoral attracted numerous foreign peoples, some of the most significant of which have been the Americans, Arabs, British, Chinese, French, Germans, and Portuguese. Additionally, Africans from throughout the subcontinent have settled in Kenya to escape conflict or political persecution, while others wanted an opportunity to begin a new life. As a result of being a gateway to the world, the country traditionally has been one of the most important business, cultural, diplomatic, and political centers in Africa. Although it has maintained this reputation during the post-independence period, Kenya like most African countries has been plagued by an increasing array of complex economic, political, and social problems. This third edition of *Historical Dictionary of Kenya* provides a starting point for those interested in any of the phases of Kenya's historical evolution. This is done through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Kenya.

Rhinos in the Rough Tina L. Quick, Jonathan D. Quick, 1993 It has been many years since the last book on golfing in Kenya was written. Comprehensive in its coverage, this guide covers all aspects of golfing in Kenya. It has been written with the visiting golfer in mind but is nonetheless candid and includes much local humour and club lore. Cartoons, area and course maps, and photographs in full colour and descriptions of area side trips and diversions are also included. Background information on the history of the sport and planning a golfing safari are given. Five chapters cover the five sections of the country into which the golf courses have been grouped, each section giving an area map and club fact files and an overview of play for the course. The final part of the book gives information about getting about, accommodation, and other useful travel information.
