*Tempus Invictus* Ernest L. Norman, 1965      *Tempus Interludium* Ernest L. Norman, 1978 Vol I Interdimensional Solar Mechanics including the section entitled Of Atoms and Astronauts Dr Norman explains some of the abnormal reactions of the astronauts upon returning from the moon flights Some of these reactions are after 30 years still not understood by our modern day scientists The topics and subject matter in this book runs the gamut of great and varied interests which again prove and show the truly Infinite Mind of He whom we call the Moderator      **Tempus Proceidum** Ernest L. Norman, 1968 The various articles comprising this book were given at different intervals sometimes in reply to some student s letter or questions other times when some article of interest appeared in the news TV etc that attracted the Elder Brother s attention to the point where he would voice his reply and objectification of the topic in question a few were given in a class lecture On other occasions he would simply be contemplating and come up with one or more of these discussions They were given without any thought in mind of becoming a book but were simply individual and separate articles that our Moderator voiced and form a great and important addition to the various other texts of Unarius      *Channeling* Joel Bjorling, 2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult      [The Gods Have Landed](#) James R. Lewis, 1995-03-09 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience

**An Introduction to Latin Syntax, Or An Exemplification of the Rules of Construction** John Mair, 1805

**Routledge Library Editions: Spiritualism** Various, 2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and
