Ten Hours To Live:

10 Hours to Live Brian Wills, 2010-09-07 I give him ten hours to live That s what the doctor said after diagnosing twenty two year old Brian Wills with one of the deadliest and fastest growing cancers known as Burkitt s lymphoma Incredibly this rare tumor grew from the size of a golf ball to nine inches in diameter in only three days Thus began Brian s life threatening battle both physical and spiritual to receive a full recovery by focusing on God s powerful promises of healing Through his incredible true life testimony of healing against all odds find out how you can Overcome the most hopeless of circumstances Learn how to apply God s Word for healing Build your faith for the miraculous Discover joy in the midst of suffering Receive comfort in times of trial 10 Hours to Live includes many other testimonies of people who have been supernaturally healed by the power of God *Report* North Carolina. Parliament. House of Commons, 1849 **The New American Servitude** Cati Coe, 2019-04-02 Finalist 2020 Elliott P Skinner Award given by the Association of Africanist Anthropology Examines why African care workers feel politically excluded from the United States Care for America s growing elderly population is increasingly provided by migrants and the demand for health care labor is only expected to grow Because of this health care crunch and the low barriers to entry new African immigrants have adopted elder care as a niche employment sector funneling their friends and relatives into this occupation However elder care puts care workers into racialized gendered and age hierarchies making it difficult for them to achieve social and economic mobility In *The New American Servitude* Coe demonstrates how these workers often struggle to find a sense of political and social belonging They are regularly subjected to racial insults and demonstrations of power and effectively turned into servants at the hands of other members of the care worker network including clients and their relatives agency staff and even other care workers Low pay a lack of benefits and a lack of stable employment combined with a lack of appreciation for their efforts often alienate them so that many come to believe that they cannot lead valuable lives in the United States While jobs are a means of acculturating new immigrants African care workers don t tend to become involved or politically active Many plan to leave rather than putting down roots in the US Offering revealing insights into the dark side of

a burgeoning economy The New American Servitude carries serious implications for the future of labor and justice in the care work industry Reports from Commissioners Great Britain. Parliament.
