Tiger Over Wall:

With the Tigers over China, 1941-1942 Jerome Klinkowitz, 2021-12-14 In the twelve months centered around the Japanese attack on Pearl Harbor a diverse group of American and British flyers fought one of the most remarkable air campaigns of WWII Pilots including Claire Chennault Pappy Boyington and Art Donahue bought time for an Allied regrouping against Japan's relentless assault in the China Burma India theater In the face of the 1941 bombings Chiang Kai shek turned to air power to survive which he did thanks to Chennault's rebuilding of the Chinese Air Force and the leadership of the American Volunteer Group or AVG Formed by Chennault the AVG also known as the Flying Tigers were contract employees working for the Chinese government As a result they received virtually no official American recognition for their efforts The group was known for their romantic reckless spirit They performed remarkably with outdated planes and equipment in ill repair were almost always heavily outnumbered in battle and were seen by outsiders as hard drinking rebels Whatever their image the Flying Tigers were highly effective In the words of Air Force Major General Charlie Bond During that first week of action the AVG destroyed fifty five enemy bombers and fighters while losing only five Tomahawks Unfortunately two of our colleagues were killed but at the same time two hundred enemy airmen were either killed or captured We were shattering the myth that the Japanese Air Force was invincible Jerome Klinkowitz whose earlier books focused on flyers attitudes toward the air war in Britain and Europe continues his work with an exceptionally interesting group of Pacific warriors He brings together not only the commanders stories but the often more colorful and sometimes more accurate accounts of life and battle by the men who flew these planes and the women who participated on the ground

Flying Tigers Over Cambodia Larry Partridge, 2000-12-12 At the end of World War II a number of former American military pilots formed the Flying Tiger Line which soon became the world's leading airfreight company Its motto of Anything anytime anywhere was especially applicable in its humanitarian projects In 1975 the Flying Tigers took part in relief efforts for Cambodians surrounded by Khmer Rouge forces The Ricelift exposed the Tiger pilots to enormous risk Though they were technically noncombatants all this really meant was that they couldn't shoot back This is the memoir of Larry Partridge who in his plane nicknamed Nancy after his wife flew 52 missions into Phnom Penh delivering rice and other supplies in hostile conditions After the collapse of Saigon and the victory of the Khmer Rouge the ricelifts ceased This account from a Tiger's eye view includes both history and human drama in a remarkable but completely true story
