overlooking the profound ways the market shapes our theology With a fresh perspective the book centers on identity contrasting today s individualism with the relational model of the Trinity It argues that the market can erode our Christian identity and distort our theology often without us being aware Through the insights of British theologian Colin Gunton who explored the Trinity s connection to identity and the work of Timothy Keller on faith and work the book reveals a crucial truth our understanding of identity is not relational enough To truly engage meaningfully at the intersection of faith and work our foundational theology must be reframed *The New York Drama* ,1876 **Vagueness, Logic and Ontology** Dominic Hyde,2016-02-17 The topic of vagueness re emerged in the twentieth century from relative obscurity It deals with the phenomenon in natural language that manifests itself in apparent semantic indeterminacy the indeterminacy for example that arises when asked to draw the line between the tall and non tall or the drunk and the sober An associated paradox emphasises the challenging nature of the phenomenon presenting one of the most resilient paradoxes of logic The apparent threat posed for orthodox theories of the semantics and logic of natural language has become the focus of intense philosophical scrutiny amongst philosophers and non philosophers alike Vagueness Logic and Ontology explores various responses to the philosophical problems generated by vagueness and its associated paradox the sorites paradox Hyde argues that the theoretical space in which vagueness is sometimes ontologically grounded and modelled by a truth functional logic affords a coherent response to the problems posed by vagueness Showing how the concept of vagueness can be applied to the world Hyde s ontological account proposes a substantial revision of orthodox semantics metaphysics and logic This book will be of particular interest to readers in philosophy linguistics cognitive science and geographic information systems *First Reader* Lottie E.
