Time Chance:

Time, Chance, and Reduction Gerhard Ernst, Andreas Hüttemann, 2010-01-21 Statistical mechanics attempts to explain the behaviour of macroscopic physical systems in terms of the mechanical properties of their constituents Although it is one of the fundamental theories of physics it has received little attention from philosophers of science Nevertheless it raises philosophical questions of fundamental importance on the nature of time chance and reduction Most philosophical issues in this domain relate to the question of the reduction of thermodynamics to statistical mechanics This book addresses issues inherent in this reduction the time asymmetry of thermodynamics and its absence in statistical mechanics the role and essential nature of chance and probability in this reduction when thermodynamics is non probabilistic and how if at all the reduction is possible Compiling contributions on current research by experts in the field this is an invaluable survey of the philosophy of statistical mechanics for academic researchers and graduate students interested in the foundations of physics

Sixguns and Society Will Wright, 2023-04-28 From the Preface The purpose of this book is to explain the Western's popularity While the Western itself may seem simple it isn't quite an explanation of its popularity cannot be for the Western like any myth stands between individual human consciousness and society If a myth is popular it must somehow appeal to or reinforce the individuals who view it by communicating a symbolic meaning to them This meaning must in turn reflect the particular social institutions and attitudes that have created and continue to nourish the myth Thus a myth must tell its viewers about themselves and their society This study which takes up the question of the Western as an American myth will lead us into abstract structural theory as well as economic and political history Mostly however it will take us into the movies the spectacular and not so spectacular sagebrush of the cinema Unlike most works of social science the data on which my analysis is based is available to all of my readers either at the local theater or more likely on the late late show I hope you will take the opportunity whenever it is offered to check my findings and test my interpretations the effort is small and the rewards are many And if your wife husband mother or child asks you why you are wasting your time staring at Westerns on TV in the middle of the night tell them firmly as I often did that you are doing research in social science This title is part of UC Press's Voices Revived program which commemorates University of

California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 From the Preface The purpose of this book is to explain the Western's popularity While the Western itself may seem simple it isn't quite an explanation of its popularity cannot be for the Western like any myth stands between individual human consc

Faith Examined Clark R. Bates,2023-10-13 This book serves two purposes to honor the apologist and author Dr Frank Turek and in the spirit of his ministry present reasoned responses to challenges currently facing the church Every year for more than one decade Dr Turek has hosted the Cross Examined Instructors Academy CIA through his Cross Examined Ministries wherein he leads a group of professors and apologists as they teach and train others in the field of apologetics Several rising stars within the apologetics community began their ministries because of Dr Turek and the CIA The authors of this book were chosen from this ever widening pool of CIA attendees past and present most of whom have gone on to academic instruction or their own successful apologetics ministries Their contributions broadly address challenges from philosophy and science challenges against Jesus and the Bible and even challenges facing parents and the church Many topics offer new approaches while others reestablish existing responses but all seek to provide answers to a skeptical world for the hope that rests within all Christians

What is Creation Science? Dr. Henry M. Morris,Dr. Gary Parker,1987-01-01 What is the better explanation Many Christians are not aware that a growing number of legitimate scientists now embrace the Genesis explanation of origins In What is Creation Science two of the most respected members of that group have given us the benefit of their knowledge Dr Henry Morris who has served on the faculties of five universities Dr Gary Parker a former evolutionary biologist Their findings throw the brakes on the evolution train
