Toxic Executive:

The Toxic Executive Stanley F. Reed,1994-04 *The Psychology of Executive Coaching* Bruce Peltier,2011-04-27 With the first edition of this text Peltier drew on his extensive experience in both the clinical and business worlds to create a comprehensive resource that brought psychological and coaching concepts together It quickly became a practical and invaluable guide for both mental health practitioners looking to expand their practice into coaching and business professionals interested in improving their own coaching skills In this updated edition topics reflect the latest developments in the field of executive coaching Peltier describes several important psychological theories and how to effectively translate them into coaching strategies essential business lessons in leadership marketing and the corporate viewpoint along with vocabulary for the therapist the challenges women face as managers and executives and effective coaching methods for working with them and lessons from successful athletic coaches that can be integrated into consulting skills This edition includes four new chapters one describing psychopathology likely to be encountered by coaches Another describes and evaluates emotional intelligence a third summarizes adult developmental theory for coaches and a fourth sorts out the popular and scientific literature on leadership and leader development **Senior Executive Assessment** Dean

Stamoulis,2015-11-04 Senior Executive Assessment is a concise and practical guide that demystifies assessment that is conducted at the senior executive level Defines Senior Executive Assessment describes its benefits and explains how it differs from assessment at lower levels Discusses how significant shifts in markets and business models can require a change in the characteristics needed in senior executives Provides a practical model with suggestions for assessing senior executives Offers guidelines for determining what assessment methods to use in an organization Examines practical considerations in how to choose professionals to conduct senior executive assessment **Diversity and Inclusion in Latin American and Caribbean Workplaces** Carlos Tasso Eira de Aquino,Ronald R. Rojas,2020-03-31 This book explores the workplace experiences opportunities and challenges that emerge from the nuances of diversity and inclusion dynamics in Latin American and Caribbean countries While the first part of the book addresses emerging frameworks on diversity and inclusion in Latin America by examining the effects of history traditions and cultural differences the second part offers case studies of country specific actualities The authors highlight that despite the many shared cultural aspects of the region it is not homogeneous and there are significant differences from place to place It follows then that a variety of cultural differences implies a variety of approaches to workplace values and more specifically to the understanding of diversity and inclusion Examining topics such as gender identity disability and racial gaps in countries throughout the region this book offers
