

GUILTY UNTIL PROVEN INNOCENT

Until Proven Innocent

Stuart Taylor, KC Johnson

Until Proven Innocent:

Guilty Until Proven Innocent Donald S. Connery,1977 An account of the 1973 arrest and trial of eighteen year old Peter Reilly for the murder of his mother and of the community action that prevented a miscarriage of justice **Until Proven Innocent** Arthur Jay Harris,2013-09-06 Three years into the investigation of a horrific homicide case a suburban home invasion murder of a wife and mother and point blank shootings of her infant husband and father in law the prosecutor slowly realizes that he and the police have been totally wrong about one of his capital murder defendants and reverses course A former New York City cop whose exploits inspired TV s Kojak has come out of retirement to solve a baffling murder mystery Super sleuth Thomas Cavanagh 79 cleared the prime suspect in the case and fingered the real suspect Cavanagh was sunning himself by the pool at his Florida home when his son Brian a prosecutor in Fort Lauderdale called Dad I have a problem with this case Brian said What should I do Globe Magazine UNTIL PROVEN INNOCENT begins with a night 911 call from a woman gasping her last breaths When police arrived at the house they found her dead stabbed and her husband infant and father in law all shot point blank They would survive Minutes later a man also called 911 a gunman had released him from a robbery at the same house He said he knew of no violence before he left Yet he was the only one who the gunman hadn t tried to kill Police instantly suspected him That night and long after police tried to shake the man Chuck Panoyan who insisted he didn t know who the gunman was Police guessed right A tip led them to the gunman and that led to a cross country trip Panoyan took to see him Both were arrested and prosecutor Brian Cavanagh won a death penalty indictment against them both But in pretrial Panoyan s attorneys unraveled Cavanagh s case against their client No longer certain Panoyan was guilty Cavanagh reached No Man s Land his choice was to let the jury sort it out or admit he was wrong about Panoyan for now three years Cavanagh s dad Tom was a retired NYPD lieutenant who d had a double murder he couldn t solve then at another precinct a suspect confessed Tom recognized it had been coerced and quietly asked his detectives if they could prove it wrong When they did the case became famous for police integrity A TV movie and series renamed Tom s character Kojak Years later son Brian was at a similar turning point but Panoyan wouldn t open up to him Who was the only one could make Panoyan comfortable enough to talk The old man the real life Kojak Tom Cavanagh **Guilty Until Proven Innocent** Joseph T. Barberi,2015-03-17 **Until Proven Innocent** Stuart Taylor,KC Johnson,2010-04-01 What began that night shocked Duke University and Durham North Carolina And it continues to captivate the nation the Duke lacrosse team members alleged rape of an African American stripper and the unraveling of the case against them In this ever deepening American tragedy Stuart Taylor Jr and KC Johnson argue law enforcement a campaigning prosecutor biased journalists and left leaning academics repeatedly refused to pursue the truth while scapegoats were made of these young men recklessly tarnishing their lives The story harbors multiple dramas including the actions of a DA running for office the inappropriate charges that should have been apparent to academics at Duke many months ago the local and national media who were so

slow to take account of the publicly available evidence and the appalling reactions of law enforcement academia and many black leaders Until Proven Innocent is the only book that covers all five aspects of the case personal legal academic political and media in a comprehensive fashion Based on interviews with key members of the defense team many of the unindicted lacrosse players and Duke officials it is also the only book to include interviews with all three of the defendants their families and their legal teams Taylor and Johnson s coverage of the Duke case was the earliest most honest and most comprehensive in the country and here they take the idiocies and dishonesty of right and left wingers alike head on shedding new light on the dangers of rogue prosecutors and police and a cultural tendency toward media fueled travesties of justice The context of the Duke case has vast import and contains likable heroes unfortunate victims and memorable villains and in its full telling it is captivating nonfiction with broad political racial and cultural relevance to our times *Leaders in the Crossroads* Stephen James Nelson,2009-09-16 This book considers two intriguing issues One is an exploration of the characteristics that determine success and failure in the academy s top post The second is more complex but equally crucial What is the impact of presidents on the ideals of the university How do presidential leadership rhetoric and action connect to the fundamental beliefs and values at the foundation of the university College presidents are noteworthy leaders in and outside the gates Deliberations about the success and failure of presidents and their obligation to the foundations of the academy generate more questions than answers However this inquiry is crucial because it sheds light on the college presidency and on its relationship to the future of the university **The Campus Rape Frenzy** KC Johnson,Stuart Taylor, Jr.,2018-05-22 In recent years politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation s institutions of higher learning as awash in a violent crime wave and to suggest preposterously that university leaders professors and students are indifferent to female sexual assault victims in their midst Neither of these claims has any bearing to reality But they have achieved widespread acceptance thanks in part to misleading alarums from the Obama administration and biased media coverage led by The New York Times The frenzy about campus rape has helped stimulate and has been fanned by ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation s all too compliant colleges and universities essentially to presume the guilt of accused students The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play This book uses hard facts to set the record straight It explores among other things nearly two dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have in a lopsided process been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges often after being tarred and feathered by their fellow students And it shows why all students and eventually society as a whole are harmed when our nation s universities abandon pursuit of truth and seek instead to accommodate the passions of the mob As detailed in the new Epilogue some encouraging events have transpired

since this book was first published in October 2016 A majority of the judicial rulings in dozens of lawsuits by male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike revoked most of the guilt presuming Obama era policies and began a protracted rule making process designed to compel procedural fairness and nondiscrimination

Forensics IV Harry A Milman, PhD,2025-11-12 The American criminal justice system prides itself on convicting only those who have been proven guilty beyond a reasonable doubt but much of admissible forensic evidence on which juries base their determination of guilt or innocence has not been rigorously tested or peer reviewed Sometimes it is contaminated inaccurate or unreliable and occasionally forensic experts are mistaken in their analysis exaggerate their conclusions or provide misleading testimony In **Forensics IV Guilty Until Proven Innocent I** discuss how flaws in forensic evidence including fingerprint firearm DNA hair bite mark and bloodstain pattern analyses as well as limitations in eyewitness identification overstated conclusions by forensic experts scientific fraud at the FBI and state forensic crime laboratories and police and prosecutorial misconduct result in innocent people being found guilty of crimes they did not commit Once wrongfully incarcerated it is almost certain the process of postconviction relief toward exoneration will be long and arduous unlike defendants who are guaranteed a speedy trial Some of the wrongfully convicted people I reviewed include Amanda Knox wrongfully incarcerated in Italy for murdering her housemate based on false DNA analysis Ronald Cotton misidentified and convicted of rape only to be exonerated after nearly eleven years and team up with the victim to lecture about faulty eyewitness identification Brandon Mayfield an Oregon attorney wrongly accused of being an Islamic terrorist involved in the 2004 train bombing in Madrid Spain based on faulty fingerprint identification Kirk Odom wrongfully imprisoned for more than twenty one years as a result of false microscopic hair analysis Keith Harward wrongfully convicted of rape and murder based on overstated bite mark comparison analysis Julie Rea and David Camm found guilty of killing her son and his wife and two children respectively based on inaccurate bloodstain pattern analysis Patrick Pursley wrongfully convicted of murder due to firearm misidentification Kirk Bloodsworth the first death row inmate to be exonerated with DNA evidence and five men wrongfully incarcerated because of false microscopic hair analysis among others
