biohacker and physician Inside of you there is a spark it s what animates you and without it you could not live This energy creation isn t mystical nor is it spiritual it is science We know from research that our cellular machinery transforms the food we eat and the air we breathe into the electricity that fuels us With the right lifestyle inputs we glow with energy but when the demands on our bodies exceed our capacity as is true for so many of us we become burned out mentally and physically Now in *The Spark Factor* Dr Molly Maloof shares a program uniquely tailored to the biology of women a plan that targets the mitochondria the power source of the cells As Dr Maloof shows the intense all or nothing approaches commonly used by biohackers to optimize health including sustained fasting ultra low carb diets and intense training can be harmful especially for women because they create excessive stress in an already stressed body which can make us tired weak and prone to illness Dr Maloof s innovative program which has been used successfully by her patients offers lifestyle changes that target the unique biology of women and provide immediate and long term benefits Instead of denying our bodies we need to listen to what they are telling us Once we become aware of our physical needs we can give ourselves the resources to become more connected nourished safe and strong at both the micro and the macro level With cutting edge biohacking insights strategies for personalized nutrition hormonal health and stress management *The Spark Factor* is the book women have been waiting for to help them reclaim their vitality and achieve lasting health

*Own the Day, Own Your Life*  
Aubrey Marcus, 2018-04-17

The founder and CEO of Onnit, the mega lifestyle brand and one of the fastest growing companies in the country, teaches us how one single day of positive choices leads to a lifetime of concrete strategies for better living, optimal performance, and a stronger mind, body, and spirit. Human optimization thought leader Aubrey Marcus's personal and professional mission rests on a single question: How can we get the most out of our body and mind on a daily basis? Marcus answers that question in *Own the Day, Own Your Life*, an empowering handbook that guides readers to optimize every moment of the day, from waking in the morning through work and play until bedtime each night. With small, actionable changes implemented throughout the course of one day, we can feel better, perform more efficiently, and live happier. And these daily habits turn into weekly routines, ultimately becoming part of lifelong, healthy choices. From workouts and diet to inbox triage, mindfulness, shower temperature, and sex, this ground-breaking manual provides simple strategies for each element of your day. Drawing from the latest studies and traditional practices from around the world, *Own the Day, Own Your Life* delivers an optimization philosophy including cutting-edge life-hacking tips, nutritional expertise, brain upgrades, and fitness regimens. *Own the Day, Own Your Life* is a must-have, choose-your-own-adventure guide for the everyman and everywoman, packed with pragmatic and effective strategies that empower you to enjoy your life, take charge of your health,
