Agatha Christie, Joan* Hickson, The thirteen problems, Agatha Christie Agatha Christie, 2002 *The Thirteen Problems; Or The Tuesday Club Murders* Agatha Christie, 2010 **Microbreweries, Nanobreweries, and Brewpubs** Joseph Peter Klapatch, 2023-05-09 In the mid 1980s the American beer market offered far fewer options than what is available today When microbreweries began to come onto the scene distributors and retailers were skeptical of their new beers and did not believe that these new American brews would be able to compete with imports Newer smaller brewers also had to overcome antiquated laws and strong consumer brand loyalty to major domestic beers After years of struggles microbrewers established a foothold in the American beer market popularized new and previously underappreciated styles and set the stage for a massive proliferation of nanobreweries across the country This book takes a look at these microbreweries prime examples of American enterprise and innovation from an industry outsider s perspective The author explores a select number of small breweries from around the United States covering their signature brews histories and what it took for them to claim their niches in the marketplace Sleuthing Miss Marple Desirée Prideaux, 2022-06-15 Sleuthing Miss Marple mirrors the structure and playful analytic style of a detective novel Beginning at the scene of the crime this investigation places Agatha Christie and the clue puzzle in

historical context casting light on the methods the motives and in a sense the alibis that underpin Christie s crime fiction In keeping with the clue puzzle analytical method devised for this book each chapter builds towards a conclusion that delivers a surprising intellectual payoff This enquiry is unapologetically textual in approach It constructs a rigorous evidence base drawn from the Marple short stories and novels and presents a useful interpretation of crime fiction scholarship This provides a foundation for original literary analyses that reveal Christie s engagements with gender roles and genre rules and the sleights of hand that they conceal Christie s modus operandi is uncovered as are the narrative strategies and literary devices that she deployed to ambush unwary readers Crucially this investigation shows how Christie s ingenious methods made it possible for an elderly spinster to get away with solving murder Sleuthing Miss Marple will be invaluable for students and researchers of crime fiction twentieth century literature and creative writing
