about his best friend's kid sister. A human determined to protect his people. Seventeen-year-old Jared thought his life was over when he finds out that his rescuers are vampires. How can he trust them? And then he finds out the truth about Tessa and that she's been taken too. Three brave souls struggle as war breaks out around them, a war that shows them no mercy. Vampire in Design Left behind. Scared and getting really pissed off. Tessa and her friends were supposed to be on their way home. On their way to safety. Instead, she wakes up alone with her friends kidnapped, targeted, and hunted. Tessa goes on the attack, desperate to find her friends and family. But her attackers want her throwback genes and will do anything to have her locked down in their lab. Caught in a dangerous maze, Cody is torn between helping his fellow captives and finding Tessa. He's young to have the connection that's growing between him and his best friend's sister. But any future they might have is in jeopardy if they can't stop the blood farm from taking over the humans and his people. Jared is free at last, but he can't stop thinking about what he went through at the blood farm and those who helped him. Then he finds out something personal that's so horrifying he has to act, even if it means walking back into the place he swore to never return. These three need to be strong. The war is far from over, and they are right in the middle of it. Vampire in Deceit. Hurt and hurting. Tessa wages war against her own as she tries to protect those she loves and save those that can't save themselves. Exhausted by the constant attacks, afraid for her friends and family, Tessa is driven to the ends of her reserves as she strives to beat back the never-ending wave of war. Thankfully, she's never alone, inside or out. Kidnapped and injured, Cody struggles to escape and find the girl whose connection to his heart, mind, and soul is growing by the moment. The chances of them all surviving this chaos are slim, but he just knows he can't live without her. Jared is determined to help his father and friends. He can't leave them alone to their fate, even when his own life becomes endangered again. Only this time, he has allies on his side, or does he? The war unites humans and vamps as the war ratchets higher to a survival of the fittest, but the people most deeply involved can't take any more. And then they find out the worst. Vampire in Defiance. This was it. For Tessa. For Cody. For Jared. Her family. Her friends. Molter's Mountain is collapsing. With Tessa, her friends, and family still inside, Tessa won't go out without a fight, and she won't leave the others behind. But as she races to save everyone, time runs out. Grounded with an injured wing, Cody wants Tessa to leave while they still can. But most of their friends and family are missing. He wants to do the right thing and save them all, but it's too late. Jared had led the army into the mountain, only to find they were looking to annihilate all vamps, not just the bad ones. He can't leave his friends vulnerable to yet another attack. But the mine is a death trap. And he could be the one that ends up dead. The pressure is on to save friends, family, each other, only the enemy is just as determined that no one survives.
