Coffee Trade Journal ,1917 North Carolina Wills and Inventories Copied from Original and Recorded Wills and Inventories in the Office of the Secretary of State by J. Bryan Grimes, Secretary of State North Carolina. Secretary of State,1912 Munsey's Magazine for ... ,1922 Gender, Intimacy, and Class in a Changing China Fiona Gill,2025-12-29

This book examines the varieties of continuity and change evident in the development of contemporary Chinese society's attitudes and practices related to gender intimacy and class. By focusing on innovative aspects of gendered experiences in contemporary China, this book reveals the developing trends in gender, including but not limited to social media-based digital feminism, patriarchy experienced by tea supply chain workers, and the bromance of male college students' experience through sports culture. It also evaluates more traditional influences on gender and how these are still shaping the lived experiences of individuals, aspects such as parental marriage matchmaking practices and revolutionary filial piety. Alongside these traditional influences, the contributions contrast developments driven by government and state direction, such as officially sanctioned discourse of social class, particularly the formation of an upper class identity, as well as how the market economy in the latter half of the 20th century to the present has transformed marriage, transmitted debt. Featuring a broad spectrum of topics impacting gender and class in China, this book will appeal to students and scholars of Gender studies, as well as Chinese Culture and Society.

Defiance of the Patriots Benjamin L. Carp,2010-10-26 An evocative and enthralling account of a defining event in American history. This thrilling book tells the full story of the iconic episode in American history, the Boston Tea Party, exploding myths, exploring the unique city life of eighteenth-century Boston, and setting this audacious prelude to the American Revolution in a global context for the first time. Bringing vividly to life the diverse array of people and places that the Tea Party brought together, from Chinese tea pickers to English businessmen, Native American tribes, sugar plantation slaves, and Boston's ladies of leisure, Benjamin L. Carp illuminates how a determined group of New Englanders shook the foundations of the British Empire and what this has meant for Americans since. As he reveals many little-known historical facts and considers the Tea Party's uncertain legacy, he presents a compelling and expansive history of an iconic event in America's tempestuous past.

I'm Not Devil King's Wet Nurse! Pa QiangDeXingHong,2020-05-26 Can't I be wrong? In the beginning, I was the one who made you stupid. Although the way I transmigrated was wrong, I was responsible. But why are you still holding on to me? You've already recovered from your stupidity and turned from a fool to a world-shaking Demon Emperor. I'm not a wet nurse. Xuan, with a domineering expression, Feng Wuqing dragged the person onto the bed. Ling Xuan's hand was tightly clutching the floor, leaving behind ten parallel lines. Damn! Let go of your father. I'm not your wet nurse. And I am straight. A new pit had been opened. It was a clear sign of elation. My own mother has a strong character, definitely HE.
