The Adam Sleep:

The Adam Sleep Winfred Van Atta,1981-03-01 *In the Beginning* Stefan C. Nadzo,Francis Sainte Claire,1989

Drunk in the Spirit Merrill G. Greene,2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one s own cherished stories

Opus Mago-Cabbalisticum Et Theosophicum Georg Von Welling,2006-01-01 This is the sort of theological resource upon which The Da Vinci Code and books like it are based This book says things are hidden and meant to be found Joseph McVeigh translator After nearly three hundred years one of the most important alchemical and magical texts of all time has finally been translated into English In Goethe s immortal play Faust the brooding hero reflects upon the vainness of earthly knowledge and education He opens a book of magic and is transfixed by an illustration of the magical universe He resolves there and then to become a magician The book that fired Goethe s imagination for that dramatic scene was a real book the book of forbidden knowledge that evoked every mystical cliché **Opus Mago Cabbalisticum et Theosophicum** This first ever English edition of **Opus Mago Cabbalisticum et Theosophicum** will appeal to anyone interested in the history or practical aspects of alchemy astrology magick Rosicrucianism esoteric Freemasonry and the Golden Dawn A perfect addition to any library of classic esoteric literature this edition reproduces famous illustrations **Who Made God?** Helen M.

Nanney,2007-11 We are all on a spiritual journey It doesn't seem like it as the complexities of our lives take us through rough storms where fear and ambitions drive our thinking This is the darkness of the world pulling us in to accepting this as an inevitable way of life I have discovered through my journey that it is not God's will for His children to suffer or live a life of uncertainty I have explained what the darkness is and how in our light God is able to reach us It is an incredible journey into His light where we receive His blessings and find the peace we long for It is a life changing experience to hear God speak to our thoughts My quest for truth and personal experiences at crossroads in my life prepared me to hear when He told me to write this book The Flashlights of Truth Elizabeth Delvine King,1918 *A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: Homilies on the Gospel of John. Homilies on the First epistle of John. Soliloquies* ,1888 New-Church Messenger ,1912 The Life and Doctrines of Jacob Boehme Franz Hartmann,1891

Reading Genesis in Lent Constantin Oancea,2025-11-17 While much has been written about how the Church Fathers used the Bible there are considerably fewer studies on interpreting Scripture in Byzantine liturgical hymns With its

innovative approach from the perspective of a biblical scholar this book aims to shed new light on how the first three chapters of the book of Genesis are interpreted in the hymns of Great Lent Each chapter starts by presenting the verses from Genesis and the hymns that refer to them Hymnographers allusions and references to other Old and New Testament passages are highlighted A short commentary introduces readers to the broader biblical context of the verses and the Church Fathers interpretations This is followed by a comprehensive examination of the hymns text focusing on how their authors interpret the verses of Genesis The hymnographers techniques of biblical interpretation including intertextuality the augmentative interpretation of Scripture and the extensive use of metaphors are also discussed The proportion of quotations references allusions or biblical expressions and images that Lenten hymns contain is impressive Liturgical poetry is a complex elevated and exquisite form of biblical interpretation
