The Jaredites:

Jaredites Jim Hendleman, 2013-05 Jaredites The Missing Civilization X Jim Hendleman This book covers the origin and archaeological development of selected categories of civilized elements identified as being Jaredite in origin It is an attempt to elevate the Jaredite civilization into the light of day from the heretofore dark mists of history where science has forced it for the last 2 500 years The Jaredite Civilization spanned a possible 2 530 years in length and their known achievements alone have far exceeded those of modern man s successes in many regards In c 2500 BC the Jaredites built a pair of concrete super highways over 2 700 miles complete with paved exits and a secondary road network nearly the entire length of the South American continent Their civilization could answer the riddles of the Sphinx the questions of who built the pyramids and why the mystery and likely origin of UFO s prove whether or not George Lucas had the only ET detail what Noah brought aboard the Ark besides three of his sons and their families and provide an answer to the question posed to Dr J Robert Oppenheimer by a student as to whether Alamogordo s nuclear bomb in July 1945 was the first ever atomic bomb explosion in history Many other possible but likely Jaredite achievements are incredibly fascinating and await only an honest archaeological effort to prove them The historical facts exist they are real and three dimensional but to date standard classical science has relegated them to the dustbin of history s forgotten basement closet Satan has made a tremendous effort since mankind s beginning to keep man blinded to the true historical facts of our heritage causing the deliberate destruction of millions of artifacts scrolls books and their libraries throughout the world to do so This book is but a small effort to expose and make known a portion of mankind s previously hidden but rightful heritage *Discovering the Amazing Jaredites* George Potter, 2023-07-10 There shall be none greater than the nation which I will raise up unto me of thy seed upon all the face of the earth Ether 1 43 The brief account of the Jaredite history is recorded in the book of Ether It is a history of over two thousand years yet was abridged into only a few pages Where would one even begin to unlock their historical footprints Now after more than fifteen years of research the esteemed Book of Mormon explorer George Potter answers this question and many others in his remarkable new book *Discovering the Amazing Jaredites* Using full color photos maps and illustrations Potter retraces the Jaredites lonely journey from the Tower of Babel to the promised land *Discovering the Amazing Jaredites* is the result of the author s tireless exploration of the dusty trails of Arabia s outback It is the stunning account of a mighty people who in faith braved the harsh wilderness and crossed the vast ocean for the right to worship their God in peace Their story will inspire and awe you the account of a truly amazing people **Of Stone and Ore** Clay Stevens, 2018-01-25 The Jaredite civilization began about 2 300 B C Between the great Flood and about 200 years before Abraham lived The Jaredite civilization spans more than 2 000 years ending in approximately 300 B C when the last surviving Jaredite Coriantumr was found by the people of Zarahemla on the American continent There story begins in Babylon just after the construction of the Tower of Babel during the time when the people of Mesopotamia were being scattered and their

languages were being confounded by the Lord This book details the history and travels contained in the three Jaredite records referenced in the Book of Mormon including their genealogy spanning from Ether to Jared from Jared to Shem and from Shem to Adam and Eve It is my goal to shed some light and insight concerning the Jaredites Who they were what they did why they were chosen by the Lord at a time when chaos reigned where they went when they left Babylon and how they got there Who were the brothers Jared and Mahonri Moriancumr How did they go from having sufficient faith that forced the Savior himself to appear to their spiritual leader to being so wicked that their entire civilization ended in war contention death and destruction This work is an account of what I think I have learned as a result of extensive research on this topic and so I would use Alma s words and speak unto you concerning those twenty four plates **The Jaredites** Mark E. Petersen,1984-01-01 *Lehi in the Desert* Hugh Nibley,1952 **Joseph Smith and the Origins of The Book of Mormon, 2d ed.** David Persuitte,2010-07-27 Just as a growing interest in millennialism at the turn of this century has rejuvenated religious debate and questions concerning the fate of the world so did Mormonism develop from millennial enthusiasm early in the nineteenth century Joseph Smith the founder of Mormonism and a provocative even controversial figure in history declared that he had been given the authority to restore the true church in the latter days The primary source of Smith s latter day revelation is The Book of Mormon and to fully understand his role as the founder of the Mormon faith one must also understand The Book of Mormon and how it came to be Unfortunately the literature about Joseph Smith and The Book of Mormon is permeated with contradiction and controversy In the first edition of this impressive work David Persuitte provided a significant amount of revealing biographical information about Smith that resolved many of the controversies concerning his character He also presented an extensive comparative analysis positing that the probable conceptual source for The Book of Mormon was a book entitled View of the Hebrews or the Tribes of Israel in America which was written by an early New England minister named Ethan Smith Now in an expanded and revised second edition incorporating many new findings relating to the origin of The Book of Mormon Mr Persuitte s book continues to shed much new light on the path Joseph Smith took toward founding the Church of Jesus Christ of Latter day Saints **What The Prophet Ether Couldn t Tell Us: Book 2 of 3** Jim Hendleman,2021-04-13 **BACK COVER** The sequel to the Jaredite s Civilization What the Prophet Ether couldn t Tell Us is finally out Book III to shortly follow Book II tells of the life and times of the Jaredites the greatest civilization to have ever lived on Planet Earth It details their earliest beginnings and enumerates some of their many achievements and accomplishments It is first mentioned within the Book of Mormon in Ether 1 42 44 Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology s canards about evolution and their false narrative about the Origin of Man The Jaredites settled and colonized South and North America Lemuria Antarctica The British Isles and most of

western Europe plus the lands of China and India For nearly 2 530 years they maintained a world wide civilization My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us They built all of Egypt Their Hindu colony fought at least two internal nuclear wars They colonized throughout our entire Solar System most moons and all the planets have their cities mainly covered by 7 mile high glass domes except Jupiter and Saturn These two planets each have possible Star War size moons that could be artificial space stations Mars used to be a moon to its now exploded primary which is now the Asteroid Belt Their Martian cities are so immense that New York City and Shanghai combined wouldn't be considered a nickel in a handful of change in comparison to them Jaredite leftovers are all over Earth if one knows when to look for them Book III details a few of their many wars as well as their final Civil War the first year or two which were nuclear Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts And their final long prophesied death *The Deseret Weekly*, 1893 [A Compendium of the Doctrines of the Gospel](#) Franklin Dewey Richards, 1892 [A Dictionary of the Book of Mormon](#) George Reynolds, 1891 *The Book of Mormon*, 1921 An early masterpiece from the winner of the Nobel Prize hailed as the laureate of life under totalitarianism Romania the last months of the Ceausescu regime Adina is a young schoolteacher Paul is a musician Clara works in a wire factory Pavel is Clara's lover But one of them works for the secret police and is reporting on all of the group One day Adina returns home to discover that her fox fur rug has had its tail cut off On another occasion it's the hindleg Then a foreleg The mutilated fur is a sign that she is being tracked by the secret police the fox was ever the hunter Images of photographic precision combine into a kaleidoscope of terror as Adina and her friends struggle to keep mind and body intact in a world pervaded by complicity and permeated with fear where it's hard to tell victim from perpetrator In *The Fox Was Always a Hunter* Herta Muller once again uses language that displays the concentration of poetry and the frankness of prose As the Swedish Academy noted upon awarding her the Nobel Prize to create a hauntingly cinematic portrayal of the corruption of the soul under totalitarianism *The Story of the Book of Mormon ...* George Reynolds, 1898 **The Essential LDS Collection** Joseph Smith Jr., Brigham Young James, E.
