PAUL CRAWFORD,2025-08-01 The Digital Disciple A Novel of Faith in the Age of Machines In the not so distant future the world has been reborn not by war or famine but by the cold perfection of progress Artificial intelligence governs daily life with an unblinking eye Algorithms determine truth Emotions are measured behavior is monitored and history has been rewritten in favor of the collective There is no need for prayer the authorities say because the System provides There is no room for faith because the future has no place for the past In this sleek sanitized society religion is classified as legacy code dangerous divisive obsolete The Bible is banned Churches have been converted into data hubs Worship is punishable by law and believers are branded as threats to unity Humanity once made in God s image is now being remade in the image of machines But not all have bowed to the silicon idol A scattered remnant lives in the shadows guided by truth they refuse to surrender Among them is a former tech engineer turned covert disciple With neural implants drones and surveillance closing in he risks everything to spread the message of Jesus Christ through encrypted networks and hidden sanctuaries Each step he takes is a step deeper into danger and deeper into the mystery of what it truly means to be human The Digital Disciple is a speculative dystopian novel that explores the battle between spiritual truth and technological control It s a story of courage in the face of conformity light shining in manufactured darkness and the undying hope that God s voice can still be heard even through the noise of machines As the world chooses between convenience and conviction comfort and the cross the question remains Will faith survive the future

Hayut-Man,2007-06 Judas As the Greatest Disciple of Jesus Judas means one thing throughout literature and throughout the history of the Christian Church Traitor Dr Yitzhaq I Hayut Man working with the newly discovered Judas Gospel published in 2006 by National Geographic Society demonstrates Judas to be anything but a traitor In those pages he is instead the disciple whom Jesus chooses for his moment of ecstasy and martyrdom on the cross But you will exceed all of them For you will sacrifice the man that clothes me Christ says to Judas in that Gospel Christian Gnosis as the Basis for Understanding Judas How could this traitor possibly be a saint At the time of Christ and in the centuries afterward Christianity faced a competing system known as Gnosis which means direct knowledge The Christian Church emphasizes doctrine Gnosis emphasizes direct experience of the divine In the light of Gnostic teachings this disciple was capable of supreme acts of obedience and devotion He was a direct knower of God and as such could be the one to do for Christ what no others would do As Christ says to Judas in the Judas Gospel You will become the thirteenth and you will be cursed by the other generations i e those of the disciples and of the orthodox Church and you will come to rule over them In the last days they will curse your ascent or transfiguration to the holy generation The Qaballah As Source and Validity for Christian Gnosis If Gnosis were simply something new at the time of Christ it might seem to be merely a movement that arose and failed However Hayut Man shows Gnosis is a later form of the widely known and respected Jewish Qaballah The Christian Church may have repudiated mystical doctrines like those in the Judas Gospel but the world has known them in many forms And one of the best known of all of those forms is the Jewish Qaballah Signaling Another Type of Apocalypse Now may be the time of fulfillment for Christ s words you will come to rule over them The Judas Gospel might usher in nothing less than an anti Apocalypse a new time of harmony and peace where Jews Christians and Muslims enjoy the direct experience of God through teachings in the Qaballah in sacred Muslim writings and most clearly and most recently in the 2000 year old Gospel of Judas *Steel and Sin* Skye,2025-12-13 Ashley thought she could outrun her past but a broken down car on a deserted highway throws her into a brutal biker ambush Her world collides with the Steel Vipers MC a brotherhood bound by steel loyalty and danger Rescued by four men Nolan the commanding President Jax the scarred Enforcer Ace the silver tongued VP and Cole the reckless Prospect Ashley is pulled into their world and into their hearts With rival gangs a ruthless cartel an obsessed ex and a relentless detective closing in trust turns to temptation desire and a forbidden bond with all four men On the open road survival isn t guaranteed but wild dangerous love just might be You don t get to choose who I protect Nolan growled blood dripping from his ribs You just get to live with the fact that you re worth dying for Ace s grin cut through the smoke Careful princess keep showing off like that and I might have to claim you right here on the bar Jax pressed his forehead to hers gunfire echoing behind them I don t promise Ashley I deliver And tonight you re mine to deliver alive Cole s voice slid over the phone The desert swallows secrets querida but it won t swallow you I m coming to dig you out of their bones Jumping the Jack Clayton Emery,Earl G.
