*The Age of Reason* Thomas Paine, 1794 Paine's years of study and reflection on the role of religion in society culminated with this his final work An attack on revealed religion from the deist point of view embodied by Paine's credo I believe in one God and no more its critical and objective examination of Old and New Testaments cites numerous contradictions [The Age of Reason](#) Thomas Paine, 1957 Paine's years of study and reflection on the role of religion in society culminated with this his final work An attack on revealed religion from the deist point of view embodied by Paine's credo I believe in one God and no more its critical and objective examination of Old and New Testaments cites numerous contradictions **The Age of Reason Annotated** Thomas Paine, 2020-11-09 The Age of Reason Being an Investigation of True and Fabulous Theology is a work by English and American political activist Thomas Paine arguing for the philosophical position of deism It follows in the tradition of 18th century British deism and challenges institutionalized religion and the legitimacy of the Bible It was published in three parts in 1794 1795 and 1807 **The Age of Reason Original Edition(Annotated)** Thomas Paine, 2021-03-30 The Age of Reason by Thomas Paine is subtitled Being an Investigation of the True and Fabulous Theology which though often excluded when discussing the work provides a snapshot of Paine's focus Thomas Paine was a political activist in both England and America active in the eighteenth and nineteenth centuries He is known for following and promoting Deism Deists believed that the Christian Church was corrupt bent on seizing political power Originally published in three parts The Age of Reason became a bestseller in the United States It wasn't as popular in England however because of fears following the French Revolution The main title of the work stems from Paine's desire that his readers should replace revelation with reason He didn't believe in miracles and thought of the Bible as nothing more than a literary work Previously Paine had written many works in praise of Deism but they were only available to an elite group who had a certain level of education and wealth Paine's style in *The Age of Reason* was more accessible to the public Not only was the style more accessible but also the book itself was less expensive than many of his previous works on the topic Historically when part I of *The Age of Reason* was published the French Revolution had caused a wave of disillusionment among the masses The Reign of Terror was well under way and Louis XVI and Marie Antoinette had already been executed Britain and France were at war and anyone in Britain still supporting the French Revolution was untrustworthy Thomas Paine because of works such as *The Age of Reason* fell into that category Paine's works led to his fleeing England to set sail for France specifically part II of *Rights of Man* led to this move after it was declared seditious There he wrote the first part of *The Age of Reason* in response to the secularism and atheism that had gripped the French Revolution Despite the fact that the French inspired this work Paine dedicated it to his Fellow Citizens of the United States of America France didn't prove a safe haven for him either he was imprisoned there for ten months because the Jacobins thought him too moderate He was nearly executed by guillotine but managed to escape that fate After his release and despite poor health Paine began work on part II of *The Age of Reason*

Following the success of part II Paine left France for the United States where he wrote part III titled *The Age of Reason An Examination of the Passages in the New Testament Quoted from the Old and Called Prophecies Concerning Jesus Christ*. Thomas Jefferson convinced him not to publish this third part in 1802 but Paine did so anyway five years later. Part I of *The Age of Reason* outlines Paine's own beliefs. He writes that he believes in one God and the equality of man. He believes that one's religious duties require justice, mercy, and making others happy. He goes on to say that he doesn't believe in the creeds professed by any church and that his mind is his church; all other churches that he knows of are devices created by man to enslave others while monopolizing power to turn a profit. He then attacks revelation. According to Paine, the fact that a revelation can only be confirmed by the one who experienced it is insufficient evidence for its truth and God's existence. Because he believes in a creator, God, Paine urges his readers to rely instead on reason and look to the natural world for evidence of God's existence. *The Age of Reason* continues to use the Bible's words against itself. Paine examines the book as a work of literature and nothing more, testing its consistency and finding it wanting. He also tests its historical accuracy and determines the book was not inspired by the divine. Paine turns his discussion toward religion and the state, highlighting the lust for power that grips institutions and its priests, pointing out the Church's oppression of scientific [The Age of Reason](#). Thomas Paine, 2020-08-06. *The Age of Reason*. *The Age of Reason*. *The Age of Reason*. Being an Investigation of True and Fabulous Theology is a work by English and American political activist Thomas Paine arguing for the philosophical position of Deism. It follows in the tradition of eighteenth-century British deism and challenges institutionalized religion and the legitimacy of the Bible. It was published in three parts in 1794, 1795, and 1807. Some original illustrations included Author's Biography. Also included *The Age of Reason*. Thomas Paine, 2014-10-02. This book contains the complete AGE OF REASON by Thomas Paine, including an introduction to Origins of Freemasonry and the much-censored criticism of Christianity. About his own religious beliefs, Paine wrote in *The Age of Reason*: "I believe in one God and no more, and I hope for happiness beyond this life. I do not believe in the creed professed by the Jewish church, by the Roman church, by the Greek church, by the Turkish church, by the Protestant church, nor by any church that I know of. My own mind is my own church. All national institutions of churches, whether Jewish, Christian, or Turkish, appear to me no other than human inventions set up to terrify and enslave mankind and monopolize power and profit." Thomas Paine (February 9, 1737 – January 29, 1809) was an American and English political activist, philosopher, political theorist, and revolutionary. As the author of the two most influential pamphlets at the start of the American Revolution, he inspired the Patriots in 1776 to declare independence from Britain. His ideas reflected Enlightenment-era rhetoric of transnational human rights. He has been called a "corsetmaker by trade, a journalist by profession, and a propagandist by inclination." In December 1793, he was arrested and imprisoned in Paris, then released in 1794. He became notorious because of his pamphlet *The Age of Reason* (1793–94) in which he advocated deism, promoted reason and free thought, and argued against institutionalized religion in general and Christian doctrine in

particular He also wrote the pamphlet Agrarian Justice 1795 discussing the origins of property and introduced the concept of a guaranteed minimum income In 1802 he returned to the U S where he died on June 8 1809 Only six people attended his funeral as he had been ostracized for his ridicule of Christianity

MISSIONS AND REVELATION Every national church or religion has established itself by pretending some special mission from God communicated to certain individuals The Jews have their Moses the Christians their Jesus Christ their apostles and saints and the Turks their Mahomet as if the way to God was not open to every man alike Each of those churches shows certain books which they call revelation or the Word of God The Jews say that their Word of God was given by God to Moses face to face the Christians say that their Word of God came by divine inspiration and the Turks say that their Word of God the Koran was brought by an angel from heaven Each of those churches accuses the other of unbelief and for my own part I disbelieve them all As it is necessary to affix right ideas to words I will before I proceed further into the
