## **The Jesus Revolution:**

Jesus Revolution Greg Laurie, Ellen Vaughn, 2018-09-04 God has always been interested in turning unlikely people into his most fervent followers Prostitutes and pagans tax collectors and tricksters The more unlikely the more it seemed to please God and to demonstrate his power might and mercy America in the 1960s and 1970s was full of unlikely people men and women who had rejected the stuffy religion of their parents generation who didn't follow the rules didn't fit in The perfect setting for the greatest spiritual awakening of the 20th century With passion and purpose Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement an extraordinary time of mass revival renewal and reconciliation Setting fascinating personal stories within the context of one of the most tumultuous times in modern history the authors draw important parallels with our own time of spiritual apathy or outright hostility offering hope for the next generation of unlikely believers and for the next great American revival Those who lived through the Jesus Revolution will find here an inspiring reminder of the times and people that shaped their lives and faith Younger readers will discover a forgotten part of recent American history and along with it a reason to believe that God is not finished with their generation *The Jesus Revolution*
