**The Jesus Story** Dr. William H. Martyn, 2013-10-15 Long time Bible Professor Tells the Compelling Story of Jesus The story of Jesus is the greatest story of all time But the repetition and varying order of events in the Gospels can be confusing to readers As he does in his bestselling book *The Whole Bible Story* Dr William Martyn presents the full narrative of Jesus in chronological order He tells the fascinating account of everything that happened in Jesus life from his birth to his ascension as well as what happened in the church after he left *The Jesus Story* is perfect for new Christians longing to get to know Jesus or long time believers wanting to recapture the awe and amazement of hearing this remarkable story for the first time

**The Jesus Story** William C. Tremmel, 1989 *The Jesus Story* has been told for almost 2000 years and a good share of the time told differently depending on who was telling and where and when This book targets on the earliest telling that occurred from the time of the death of Jesus to the middle of the second century the twenty seven books of the New Testament being the primary record we have for the telling of that early story This book begins with the tellings in the gospels from Jerusalem to Rome It then examines the story as the telling shifts from charismatic free wheeling preaching to the orderliness of church establishment Finally there is a report on how the early tellers told of the coming of the end of time

*The Jesus Story : Bible for Everyone* J.C.Blumen Violett, 2016-03-19 The debate surrounding Jesus of Nazareth has raged throughout the ages Historically he was a first century Jew who did many miracles in conjunction with his teachings about God Theologically he claimed to be the Son of God Christians have worshiped him for more than two thousand years Today Christianity is still one of the major religions of the world Who is this Jesus of Nazareth Why has his influence withstood the tests of time This book puts forward the case that the New Testament gospels are the most accurate historical sources we have of Jesus life and ministry If you ve always been confused about who Jesus is and what he claimed to be you will appreciate the concise but informative retelling of his life in the pages of this book

**The Jesus Story** William A. Emerson, 1971 My purpose in this book is to retell the Jesus Story as it has struck me after reading many versions old and recent and after consulting a few references and historical works I have taken the liberty of integrating different versions of a certain narrative or story from time to time and I have added a few elements of my own imagination p i *The Jesus Story*

Ben Campbell Johnson, Brant D. Baker, 2000-01-01 Avoiding theological jargon and using language more accessible to the lay person than that in the Bible this book invites readers to discover for themselves what Jesus has done for the world and continues to do in the world The invitation is offered in the form of daily readings from the four Gospel accounts of Jesus life and ministry

Harrington,1991 *The Jesus of History* Terrot Reaveley Glover,1923 [Rediscovering the Jesus Story](#) Joseph A. Grassi,1995 The power of this book lies in Joseph Grassi s insight that the gospels were written as dramatic narratives For centuries the main contact people had with the gospels was in hearing them proclaimed and performed The proclaimers and the listeners did not consider Jesus a dead person of the distant past but as present here and now to believers The actual person narrating the gospel was only a channel or instrument of Jesus actual words Jesus was speaking to them with all the dynamic power and effect that he had on his audiences years and centuries ago in Galilee The gospel audience heard his words not merely in terms of valuable information but also as empowerment and energy to accomplish the things they heard The stories of miracles healings and forgiveness were reminders that the same events were now happening again through Jesus presence in their midst Rediscovering the Jesus Story will help the reader rediscover the passion and vitality of the gospels Each particular story is accompanied by the necessary background a modern audience needs to discover the gospel anew This includes the background of the Hebrew scriptures along with guides to the meaning of each story within each gospel s dramatic and literary pattern At the end of each section the reader will find Pathways to Further Discovery and suggestions for keeping a
