fashionable wife Jackie and his young children Months into his presidency Kennedy exhorted the country to reach for the stars calling upon the nation to send a man to the Moon and back by the end of the decade In 1961 Kennedy made it seem like anything was possible and Americans were eager to believe him The Kennedy years were fondly and famously labeled Camelot by Jackie herself suggesting an almost mythical quality about the young President and his family As it turned out the 60s closely reflected the glossy idealistic portrayal of John F Kennedy as well as the uglier truths The country would achieve Kennedy s goal of a manned moon mission and the landmark Civil Rights Act of 1964 finally guaranteed minorities their civil rights and restored equality ensuring that the country would live out the true meaning of its creed But the idealism and optimism of the decade was quickly shattered starting with Kennedy s assassination in 1963 The 60s were permanently marred by the Vietnam War and by the time Robert F Kennedy and Martin Luther King Jr were assassinated in 1968 the country was irreversibly jaded The events of the decade produced protests and countercultures unlike anything the country had seen before as young people came of age more quickly than ever Jackie continued to fascinate Americans over the next several decades acting as a living symbol of the Kennedy years and a popular unofficial representative for her country abroad She famously went on to marry Greek shipping magnate Aristotle Onassis earning her the nickname Jackie O and she took up a career in publishing beginning in the mid 70s Until her death in 1994 even in her 60s she continued to be the subject of popular interest and intense tabloid and paparazzi coverage In some ways Robert Francis Kennedy 1925 1968 is the quintessential middle brother among the Kennedys eclipsed in life while working in his brother John s administration eclipsed in death both by his older brother s assassination and his younger brother s long influential career in the Senate as a liberal lion And yet the politics of the 1960s and the ultimate legacy of the Kennedys including the Kennedy Curse would have been incomplete without Bobby s place in the narrative As Bobby s private life and public life played out the two came to mirror each other Among the Kennedy clan Bobby remained within the shadow of older brothers Joseph Jr and John both of whom their father thought were destined to become political scions And ultimately it was Ted who cast the longest political shadow serving for decades in government But Bobby may have been the most intellectual and ideological of them all And it was Bobby who worked behind the scenes to help advance John s political career including his political campaigns and as Attorney General in his administration Ted may not have been the center of attention in the Kennedy family then or now but he had the same charisma and skills of his older brothers as well as the same controversial vices And as fate would have it Ted s political legacy may have eclipsed them all His brothers were victims of two of the country s most tragic assassinations two other siblings died in plane crashes and he would have to eulogize nephews But Ted had the extra gift of length of years surviving his encounter with the Kennedy Curse a 1964 plane crash that severely injured and nearly killed him Although controversy ensured Ted would never be president he spent nearly half a century in the U S Senate forging a legacy that earned him the nickname The Lion of the Senate

After Camelot J. Randy Taraborrelli, 2012-04-24 In this ambitious and

sweeping account Taraborelli continues the family chronicle begun with his bestselling Jackie Ethel Joan and provides a behind the scenes look at the years after Camelot For more than half a century Americans have been captivated by the Kennedys their joy and heartbreak tragedy and triumph the dark side and the remarkable achievements He describes the challenges Bobby s children faced as they grew into adulthood Eunice and Sargent Shriver s remarkable philanthropic work the emotional turmoil Jackie faced after JFK s murder and the complexities of her eventual marriage to Aristotle Onassis the sudden death of JFK JR and the stoicism and grace of his sister Caroline He also brings into clear focus the complex and intriguing story of Edward Teddy and shows how he influenced the sensibilities of the next generation and challenged them to uphold the Kennedy name Based on extensive research including hundreds of exclusive interviews After Camelot captures the wealth glamour and fortitude for which the Kennedys are so well known With this book J Randy Taraborrelli takes readers on an epic journey as he unfolds the ongoing saga of the nation s most famous and controversial family *The Kennedys in the World* Lawrence J. Haas,2021-03 The Kennedys in the World tells a new rich fascinating and consequential story about Jack Bobby and Ted Kennedy From an early age the brothers developed a deep understanding of the different peoples cultures and ideologies around the world a keen appreciation for the challenges that such differences created for the United States and a strong desire to reshape America s response to them From their childhoods in the first half of the twentieth century the brothers were prodded by their ruthless demanding win at all costs father Joe Kennedy and their cold and distant mother Rose to learn and care about the world and told they could shape America s role in it For more than six decades after World War II the brothers shaped broad issues of war and peace as well as the U S response to almost every major global challenge of their times the Soviet Union and China the Cold War and Cuba the Dominican Republic and Chile Nicaragua and El Salvador Korea and Vietnam South Africa and Northern Ireland and Iraq twice In their time America was what it remains today the world s greatest power with roles and responsibilities that stretch across the planet Consequently as the brothers remade America s empire they invariably changed the world *The Fitzgeralds and the Kennedys* Doris Kearns Goodwin,1991 In its drama and scope this number one bestseller about two families whose ambitions propelled them to unprecedented power and whose passions nearly destroyed them is one of the richest works of biography in the last decade Rarely has popular history rung so authentic The New York Times First time in trade paper Photographs
