The Power Of Balance:

The Power of Balance Pastor Debra E. McCarthy,2022-12-01 Power in Balance We want God to be there with us constantly whenever we want or need him but we do not have enough time to spend with him That is what it means to pray unceasingly to be connected to him every minute of every day I had to really go through the ultimate lesson in balance before I could write about it After several years of limping results of a very badly broken leg God was trying to teach me something about balance He taught me about how hard life can be when you are not in balance How pain both physical and emotional can cause you to make wrong choices throwing you off balance causing even more pain This is where the power of balance comes into play This book is grounded in the Scriptures When Jesus was asked what the most important commandment is he said it is to love your God above all but the second is love others as yourself That is what the power of balance is all about
