The Precipice:

The Precipice Ivan Goncharov,2020-07-16 Reproduction of the original The Precipice by Ivan Goncharov The Precipice Toby Ord,2020-03-24 In this urgent and thrillingly written book there is a case and solution for humanity's last shot at survival Sunday Times Humanity's future is at risk We face existential catastrophes climate change nuclear war and more If we do not act fast to reach a place of safety it will soon be too late Drawing on over a decade of research The Precipice explores the cutting edge science behind the risks we face And it points the way forward to the actions and strategies that can safeguard humanity An Oxford philosopher Toby Ord has advised the US National Intelligence Council the UK Prime Minister's Office and the World Bank on the biggest questions facing humanity In The Precipice he offers a startling reassessment of human history the future we are failing to protect and the steps we must take to ensure that our generation is not the last A book that seems made for the present moment New Yorker *Report ...* ,1930 Frostgrave: Ghost Archipelago: Lost Colossus Joseph A. McCullough,2018-03-22 Long ago the great Colossus of Argantheon stood upon one of the outer islands its vast outstretched arm pointing the way to the Crystal Pool or so the ancient texts claim Then during some forgotten war the Colossus was shattered and its parts flung across the Archipelago to lie in forgotten ruin In this expansion for Frostgrave Ghost Archipelago players lead their warbands through a series of interlinked scenarios in a race to discover the secrets of the Colossus Along the way they will encounter new monsters discover new treasures and even recruit a few new specialist warriors to their cause Perhaps if they are successful the knowledge they obtain will help point them towards the ultimate treasure The US Senate and the Commonwealth Mitch McConnell,Roy E. Brownell III,2019-06-07 Kentucky has long punched above its weight in the US Senate as some of the nation's most distinguished senators have hailed from the Commonwealth Despite its relatively small population for much of American history Kentucky has produced a record two Senate majority leaders a record three Senate majority whips and one of the country's greatest lawmakers Henry Clay These Kentuckians played an important role in the evolution of leadership institutions in the Senate Official positions such as Senate majority leader and majority whip are nowhere to be found in the Constitution or early American history yet today these offices have essentially eclipsed the constitutionally created legislative leadership positions of vice president and president pro tempore While Kentucky senators have played a vital role in leading the Senate and in its institutional history no book has told the story in its entirety The US Senate and the Commonwealth is the first book of its kind to provide a detailed yet accessible discussion of the US Senate's leadership throughout its 225 year history Senator Mitch McConnell and Roy E Brownell II weave together the history of the Senate with lively portraits of prominent Kentucky senators as well as firsthand reflections about legislative leadership by a Senate majority leader The authors illuminate and humanize this discussion by exploring the colorful and vivid lives of fifteen Kentucky lawmakers including Henry Clay Alben Barkley and John Sherman Cooper This compelling and fascinating study is an essential resource *Reclaiming The Underground Space*
