The Presidential Difference

Lewis L. Gould

The Presidential Difference:

The Presidential Difference Fred I. Greenstein, 2012-11-28 Fred I Greenstein has long been one of our keenest observers of the modern presidency In *The Presidential Difference* he provides a fascinating and instructive account of the presidential qualities that have served well and poorly in the Oval Office beginning with Franklin D Roosevelt s first hundred days He surveys each president s political skill vision cognitive style organizational capacity ability to communicate and emotional intelligence and argues that the last is the most important in predicting presidential success Throughout Greenstein offers a series of bottom line judgments on each of his thirteen subjects as well as an overarching theory of why presidents succeed or fail In this new edition Greenstein assesses President George W Bush in the wake of his two terms The book also includes a new chapter on the leadership style of President Obama and how we can expect it to affect his presidency and legacy

The Presidential Difference Fred I. Greenstein, 2000 Fred Greenstein is among the top students of the American presidency his book on Eisenhower *THE HIDDEN HAND PRESIDENCY* is regarded as a classic His pioneering work in political psychology has done much to illuminate the nature of power and leadership writ large Now as the culmination of a half century of study and firsthand experience *THE PRESIDENTIAL DIFFERENCE* rewrites the book on greatness in the presidency Greenstein looks at both personality and context to consider how well each president fit his times From FDR to Clinton he paints a portrait by turns sweeping and detailed of the era of the imperial presidency *THE PRESIDENTIAL DIFFERENCE* employs a concise set of six categories by which a chief of staff is rated communication organisation natural skill vision cognitive style and the unexpected key to the whole package emotional intelligence Not since Richard Neustadt s *PRESIDENTIAL POWER* has a scholar so clearly defined the keys to success for the world s most powerful office

The Presidential Difference Fred I. Greenstein, 2001-02-28 As Americans choose and install a new president for a new century they could do no better than to read this work by one of our keenest observers of the modern presidency Drawing on a quarter century s immersion in the presidential record and scores of interviews Fred I Greenstein provides a fascinating and instructive account of the qualities that have served well and poorly in the Oval Office from Franklin D Roosevelt s first hundred days to the end of the Clinton administration Greenstein offers a series of bottom line judgments on each of his eleven subjects and a bold new explanation of why presidents succeed or fail Previous analysts have placed their bets on the president s political prowess or personal character Yet by the first standard LBJ should have been our greatest president and by the second the nod would go to Jimmy Carter Greenstein surveys each president s record in public communication political skill vision cognitive style and emotional intelligence He concludes that the last is by far the most important According to Greenstein FDR provides endless positive lessons but is a source of warnings Truman let his bizarre readings of history lead him astray Eisenhower was wise but failed to communicate a vision Kennedy had no vision Reagan was Carter in reverse It is Ford who is most unappreciated and genuinely interesting Ford balanced many conflicting

demands kept his poise and left the office much stronger than he found it Presidents can avoid failure if they are willing to accept the warnings of failures past and act accordingly But it is not only presidents who should read this book with care Some flaws cannot be overcome no matter how otherwise talented the man Only three of Greenstein's eleven modern presidents were fundamentally free of distracting emotional perturbations When we choose our presidents we will do well to listen to Greenstein and Beware the presidential contender who lacks emotional intelligence In its absence all else may turn to ashes

The Presidential Difference Fred I. Greenstein, 2004 In this new edition Greenstein brings his survey of American presidential leadership up to date with an analysis of George W Bush Leadership in American Politics Jeffery A. Jenkins, Craig Volden, 2018-01-15 In the polarized governing environment of American politics today the problem of leadership becomes ever more pressing and ever more vexed What defines leadership what determines its importance and effectiveness and how does it differ from one sphere of influence to another these are the questions Leadership in American Politics addresses in an effort to clarify the causes and consequences of the actions that public leaders take The authors prominent scholars from the major subfields of American politics discuss the form and content of leadership in their areas of expertise across the spectrum of American government the executive legislative and judicial branches political parties interest groups bureaucracies the states and foreign policymaking Combining historical theoretical and empirical approaches their essays evaluate the constraints opportunities and influence of leadership in each area as well as the challenges of bridging different realms At a time when understanding the nature and limits of leadership is more important than ever this volume lays the groundwork for the systematic study of leadership within and across American political institutions

The Art of Political Leadership Fred I. Greenstein, 2006 Fred Greenstein has been a paragon of scholarship and practical advice in his many years of work on the presidency Here some of the leading scholars of the presidency and leadership studies come together to pay tribute to Greenstein and his work Original essays reflect the broad sweep of Greenstein's scholarship from the systematic study of personality and politics to the analysis of chief executives from Woodrow Wilson on The essayists pay special attention to the political styles advisory systems and decision making processes of presidents from the 1920s to today In his studies of the American presidency Greenstein pioneered the use of archival documents to test hypotheses and illuminate issues that bear on the performance of the modern executive office The distinguished list of contributors to this volume include John Burke Robert A Dahl Alexander and Juliette George Betty Glad Alonzo Hamby Erwin Hargrove John Kessel Anthony King Kenneth Kitts J Donald Moon and Fred Greenstein's first and last graduate students at Princeton Larry Berman and Meena Bose Greenstein himself generously writes a new essay on Plumbing the Presidential Psyche adding to his substantial contributions to political psychology

The Pentagon and the Presidency Dale Roy Herspring, 2005 A fascinating account from the military's perspective of the historically tense and at times outright antagonistic relations between senior military leaders and American presidents and their advisors Closely examines and

grades the impact of presidential styles on the military's view of the president

The Elections of 2020 Michael Nelson, 2021-06-15 The Elections of 2020 is a timely comprehensive scholarly and engagingly written account of the 2020 elections. It features essays by an all-star team of political scientists in the immediate aftermath of the 2020 general election, chronicling every stage of the presidential race as well as the coterminous congressional elections, paying additional attention to the role of the media and campaign finance in the process. Broad in coverage and bolstered by tables and figures, presenting exit polls and voting results in the primaries, caucuses, and the general election, these essays discuss the consequences of these elections for the presidency, Congress, and the larger political system. Contributors: Marjorie Randon Hershey, Indiana University; Marc J. Hetherington, University of North Carolina at Chapel Hill; Charles Hunt, Boise State University; Gary C. Jacobson, University of California, San Diego; William G. Mayer, Northeastern University; Nicole Mellow Williams, College of William and Mary; Gerald M. Pomper, Rutgers University; Paul J. Quirk, University of British Columbia; Andrew Rudalevige, Bowdoin College; Candis Watts Smith, Pennsylvania State University

Political Women Michele Lockhart, Kathleen Mollick, 2013-09-25 This collection examines the ways in which women have used political rhetoric and political discourse to provide leadership or assert their right to leadership at the national level. While over the years women have broken through traditional roles, they are still underrepresented in political leadership. In this text, scholars consider the various factors that continue to restrict political leadership opportunities for women, as well as some of the ways in which individual women have strategically sought to enact political power and leadership for themselves. The contributors analyze various case studies of leadership positions at the national level, looking at women who have run, been nominated to run, or appointed to national positions. The interdisciplinary approach lends itself to rhetoric, political rhetoric, political discourse, leadership studies, women's studies, gender issues, satire, and pop culture.

Political Leadership Michael Foley, 2013-11 This authoritative volume analyzes the practice and impact of political leadership, aiming to position it within a more integrated framework

The Modern American Presidency Lewis L. Gould, 2009 The Modern American Presidency is a lively interpretive synthesis of 20th-century leaders, filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage. Gould traces the decline of the party system and the increasing importance of the media, resulting in the rise of the president as celebrity.

House documents, 1884 *Inventing the Job of President* Fred I. Greenstein, 2009-08-10 How the early presidents shaped America's highest office. From George Washington's decision to buy time for the new nation by signing the less-than-ideal Jay Treaty with Great Britain in 1795 to George W. Bush's order of a military intervention in Iraq in 2003, the matter of who is president of the United States is of the utmost importance. In this book, Fred Greenstein examines the leadership styles of the earliest presidents, men who served at a time when it was by no means certain that the American experiment in free government would succeed. In his groundbreaking book, *The Presidential Difference*, Greenstein evaluated the personal strengths and weaknesses of the modern presidents since Franklin D. Roosevelt.

Here he takes us back to the very founding of the republic to apply the same yardsticks to the first seven presidents from Washington to Andrew Jackson giving his no nonsense assessment of the qualities that did and did not serve them well in office For each president Greenstein provides a concise history of his life and presidency and evaluates him in the areas of public communication organizational capacity political skill policy vision cognitive style and emotional intelligence Washington for example used his organizational prowess honed as a military commander and plantation owner to lead an orderly administration In contrast John Adams was erudite but emotionally volatile and his presidency was an organizational disaster Inventing the Job of President explains how these early presidents and their successors shaped the American presidency we know today and helped the new republic prosper despite profound challenges at home and abroad

While this might not be the The Presidential Difference full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Presidential Difference eBooks, including some popular titles.

FAQs About The Presidential Difference Books

What is a The Presidential Difference PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Presidential Difference PDF?** There are several ways to create a PDF: Use software

like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Presidential Difference PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Presidential Difference PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Presidential Difference PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
