## **The Priest In Union With Christ:**

*The Priest in Union with Christ* Reginald Garrigou-LaGrange, 2010-06 In *The Priest in Union with Christ* the famous Thomistic theologian Fr Garrigou Lagrange O P expounds in a disciplined manner upon the specific holiness of the priesthood and the supernatural fruitfulness of the priestly apostolate Steeped in Sacred Scripture St Thomas Aquinas and other traditional Catholic sources the author presents the classic Catholic traditions on the priestly vocation traditions which many seminarians and young priests today may have never even heard of Impr 264 pgs PB *The Priest in Union with Christ* R. Garrigou-Lagrange, Rev R Garrigou-Lagrange Op, 2015-03-14 In this new work *The Priest in Union with Christ* the spiritual life of a priest and his special priestly functions are considered with a view to underlining the following three points In the first place the priest of today no less than his counterpart of yesterday must never forget for one moment the words spoken by Christ Make it your first care to find the kingdom of God and his approval and all these things i e food and clothing shall be yours without the asking Matt vi 33 In other words the end of all our endeavours must not be a mere earthly happiness for the human race freed from every form of oppression but eternal life the Kingdom of God True it is the final thing to be obtained but it must always be the foremost of all our intents and purposes A certain amount of temporal well being will help us along the road towards eternal life but it must always be subordinate to the final end The second point I want to emphasize in the course of this work is that Christ the Saviour and high priest of mankind came on earth for the special purpose of revealing God's love for his creatures who stood in need of redemption He came so that they may have life and have it more abundantly to put within their grasp the perfect life of eternity as the full flowering of sanctifying grace the seed of glory This abundant life is full and away superior to any earthly happiness and begins for the faithful follower of Christ even here amidst the difficulties of his present life in the following way although the communist is violently opposed to such an idea Blessed are the poor in spirit the patient those who mourn blessed are the merciful the clean of heart the peace makers and even those who suffer persecution in the cause of right These have received already an abundance of life as the prelude to eternal life And thirdly I want to point out that Christ desires to live in us as his members especially in his priests as a means of showing God's love for men in their need of salvation Therefore the priest should never forget to live day in and day out and at every moment of the day in an ever deepening union with Christ whether he is celebrating Mass hearing confessions directing souls or preaching so that in all his work he is another Christ the minister of Christ Never should he be a mere functionary of the Church since Christ himself has that ardent desire to live in him for his own sanctification and for the salvation of souls

Translated, The** R©ginald Garrigou-Lagrange, 1952 **Children of God and Union with Christ** Samuel Bradhurst Schieffelin, 1896 **Union with the Resurrected Christ** G. K. Beale, 2023-04-25 Southwestern Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has

received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus s resurrection and ascension In this follow up to his monumental A New Testament Biblical Theology G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ s resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology

**Priestly Celibacy** Gary Selin,2016-03-11 Pope Francis has called mandatory priestly celibacy a gift for the Church but added since it is not a dogma the door is always open to change As this Church discipline continues to be debated it is important for Catholics to delve into the theological and not merely pragmatic reasons behind its continuation Priestly Celibacy Theological Foundations therefore fills a critical gap in the current theological literature on this important topic of ecclesial ministry and life and also helps to contribute to the advancement of the rather underdeveloped theology of priestly celibacy

**Christ the Ideal of the Priest** Blessed Marmion,2006 The highly acclaimed spiritual writer Blessed Columba Marmion wrote this classic work on the priesthood to show the great holiness that priests are called to and how that holiness can only be attained through close union with and imitation of Jesus Christ While aimed at the clergy this profound spiritual work will also be of immense inspiration for laity in coming to a deeper understanding of the true nature and calling of the priesthood Echoing the thought and writing of St Paul Marmion stresses that the priestly life must be dominated by Christ and in constant dependence on His merits His grace and His activity in the soul of the priest In this perspective the dignity of the priesthood and the work of the priest s sanctification are understood In all his actions in the sacred acts of worship the administration of the sacraments private prayer and devotions and serving the various needs of his flock Marmion says the priest must always see himself as the minister of the Saviour as Alter Christus Blessed Columba Marmion was a Benedictine priest in the first half of the twentieth century who wrote several works that are considered spiritual classics most notably his book Christ the life of the Soul also published by Gracewing in a new translation by Alan Bancroft

*The Priesthood of All Believers and the Missio Dei* Henry Joseph Voss,2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and

offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the *missio Dei* This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 *Lectio Divina* 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

American Ecclesiastical Review Herman Joseph Heuser, 1920      Union with Christ Rankin Wilbourne, 2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's *Desiring God* ministry To experience why the gospel is good news and answer life's most foundational questions about identity destiny and purpose we must understand what it means to be united to Christ If you are a Christian the Bible says that Christ has united his life to yours that you are now in Christ and Christ is in you This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation Yet few Christians today experience or enjoy this reality *Union with Christ* reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart Who Am I Why Am I Here Where Am I Headed How Will I Get There Nothing is more practical for living the Christian life than union with Christ The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ but to actually become like him
