Congressional Record United States. Congress,1999 **My Riot** Roger Miret,Jon Wiederhorn,2019-04-09 Miret s captivating and harrowing no holds barred account of a life lived in the trenches You don t have to be a major Agnostic Front fan to get maximum enjoyment out of this book A compelling read Classic Rock Revisited Miret s memorable affecting stories capture an important time in the hardcore music scene Equal parts music memoir and gritty coming of age story it s an eminently readable and fast paced look at life during hardcore s heyday Not just for music fans My Riot is a valuable snapshot of an important time Foreword Reviews My Riot is a powerful and riveting read A brutal look into the life of a man that did what he had to do to survive Scott Ian Anthrax Born in Cuba Roger Miret fled with his family to the US to escape the Castro regime Through vivid language and graphic details he recounts growing up in a strange new land with a tyrannical stepfather and the roles that poverty and violence played in shaping the grit that became critical to his survival In his teen years he finds himself squatting in abandoned buildings with unforgettably eccentric runaways and victims of similar childhood trauma With like minded misfits he helps pioneer a new musical genre but with money scarce and commercial success impossible he turns to running drugs to support his family and winds up in prison It s the ultimate test of his toughness and perseverance that eventually sets him on a path towards redemption My Riot is both an unflinching portrait of downtown New York in the 1980s and a testament to the perils of growing up too fast It s a great read tracing the roots of New York Hardcore via lots of crazy stories about potentially deadly situations Pick up this book and take a walk back in time through the Lower East Side when it was still a hair raising adventure D Randall Blythe Lamb of God **Coping with Grief: Surviving the Unexpected Loss of a Child** Rick Larnerd,2019-04-10 As parents nearly all mothers and fathers form a bond

with their offspring at the moment of birth As we parents know children do not come with instructions however The business of raising them to become productive members of society is a roller coaster of ups and downs This series of trials and errors helps to define and solidify the parental bond When that bond is severed by loss the ensuing chaos sends a grieving parent into a tailspin When that loss is unexpected and there is no time to prepare the grief can be particularly debilitating Parents are not supposed to outlive their children Just as children do not come with instructions for their raising there are no instructions for how to deal with the grief which consumes us when we lose one How can one survive the crippling effects of this tragedy The enormity of that tragedy is compounded when more than one child is unexpectedly lost As you read my story of the loss of two of my three children I hope this survivor s perspective will help to shed light on a very complex and personally unique emotion and serve as an inspiration for others experiencing the same grief With belief in God the love of family support of friends compassion from strangers and the passage of time it truly is possible to overcome the debilitating effects of grief
