career for good So when my agent suggests I become a family man and marry the woman the tabloids have deemed as my girlfriend the idea holds merit I just have to convince my Amish neighbor to marry me IVY When Jude Riley suggests a marriage of convenience could be the solution to both of our problems the idea sounds preposterous at first But having a father for my baby is appealing even if Jude is an Englisher I ll have to leave my Amish community and resign myself to a culture I know little about But Jude and I have been good friends since we were young and although our lives are so different I would trust him with my life I could probably marry someone from my Amish community but I doubt he would be as kind and sensitive as Jude Not to mention everyone already thinks my baby is his Maybe a marriage of convenience to a handsome troubled hockey star isn t such a bad idea after all You Can t Help Falling in Love with Jude and Ivy s story A fun sweet clean Christian romantic comedy
