## Unnatural Relations:

The Millenary Fraud: The Bible Arquimedes De Jesus,2014-05-16 The Millenary Fraud is a book on the Bible that is the product of more than 18 years of my life as a Christian What I have done in this book is nothing more than invite people to check the Bible thoroughly and to compare the different verses that contradict each other as other authors have done I want people to have the same knowledge of the Bible as I and decide for themselves Evidence has been found in the Bible that god never spoke to Abraham Evidence has been found in the Bible that god never spoke to Moses and the Israelites on Mount Sinai Evidence has been found in the Bible that god forgets and lies Evidence has been found in the Bible that god does not keep his promises Evidence has been found in the Bible that god does not know everything Evidence has been found in the Bible that Jesus was a thief and a fraudster Evidence had been found in the Bible that Jesus was not the son of Virgin Mary Evidence has been found in the Bible that Jesus lied openly at least 10 times Evidence has been found in the Bible that Jesus will not come back for he is 1800 years late Evidence has been found in the Bible that it is impossible for Jesus to come back This is not a book about delusive thoughts or interpretations of the Bible and Qur an by the author It is about clear proof with evidence throughout given by the books of faith
