Marriage is not a contract it is God s covenant from the beginning He designed it as a sacred union reflecting His eternal love for the Church Yet many try to build marriages on human desire only to find them collapsing without His blessing In *Husbands and Wives* Heaven Sent exposes the difference between man made contracts and God ordained covenants With piercing truth and biblical clarity this book calls every couple and every person who desires marriage to embrace God s blueprint for love unity and destiny Marriage is God s creation Elizabeth Cady Stanton Ellen Carol DuBois,2026-03-03

The definitive biography of American suffragist and women s rights pioneer Elizabeth Cady Stanton from a preeminent historian of women s suffrage The life of Elizabeth Cady Stanton still has much to teach us The invented prisons of race sex and class are still with us but learning about successful past struggles against them can help to equalize the future Gloria Steinem Elizabeth Cady Stanton was a singular leader thinker and organizer whose fight for women s emancipation stretched from the 1840s to her death in 1902 a full fifth of America s history Yet her legacy has been marked by controversy In this landmark biography eminent historian Ellen Carol DuBois paints a fresh portrait of this complex crusader whose tireless work made contemporary feminism possible Born in 1815 into a family deeply marked by the tumult of the American Revolution and surging evangelicalism Stanton was captivated by Enlightenment ideas about individual freedom and transformed by early experiences in what she called the school of antislavery Though most remembered for her fight for the vote she was also an early crusader for women s reproductive autonomy and reforming the institution of marriage and against Christianity s subordination of women Her rifts with Black reformers and embrace of nativist ideas tarnished her reputation but her words still have the ability to move and agitate people today Building upon exhaustive archival research and a deep engagement with Stanton s copious writings Elizabeth Cady Stanton brilliantly captures a crucial reformer in all of her intelligence moral ambiguity and power **WE ARE GODS** Joseph Ngoma ,2025-10-16

What does it mean to be made in the image of God Why did Jesus declare Is it not written in your law I said you are gods John 10 34 Psalm 82 6 Many wrestle with these words often misunderstood but within them lies a powerful truth about human identity purpose and authority In *We Are Gods* Joseph Habimana Ngoma uncovers the biblical revelation that we are not God Almighty but we are His image bearers small gods created to reflect His glory exercise His authority and fulfill His will on earth This book

explores God's original design for humanity in Genesis 1:26-28. What it means to be sons and daughters of the Most High. How Satan distorts human identity through lies and sin. The restoration of God's image in us through Jesus Christ. The responsibility of believers is to walk in holiness, power, and love. This is not a message of pride or self-exaltation but of humility and responsibility. To be God's is to be God's representatives, ambassadors of His Kingdom, called to bring light where there is darkness and truth where there is deception. If you have ever struggled to understand your spiritual identity, your authority in Christ, or your purpose in life, this book will open your eyes to who you are meant to be in God's Kingdom.
