**The Unspoken Language of Children**

Charles Watson,2021-12-03 Are you having trouble understanding what your child is thinking Are you finding it challenging to communicate with your child Well this is all too normal We have all been through this stage Believe it or not there is a science behind understanding body language The book will give you a clear understanding of how a kid s body language can affect their life This will make it easier for you to understand your child s social needs and establish a better connection with them It will help you get to know your child better and make your relationships with other people easier In this book we will go through The Power of Body Language How to Read them Like A Book How to Improve your Skills And much more As a parent or guardian you should notice how your child reacts to others but sometimes it can be challenging to understand them because they ve not yet told you how they feel about certain situations This book will help you establish a baseline for your child s body language so that you can better relate to them It will help you to read their facial expressions and body language and it will teach you how to interpret them in a way that will be beneficial for you You can expect to learn simple things such as what a neutral face looks like how a child s mood can change on the day of an event and how to read subtle social cues without being too obvious about it The book contains various tips and tricks on how to understand body language in a fun way so that you don t feel like it s another chore for you to do It will make it easier for you to learn the information and it will help you communicate better with your child so that your relationships can grow Get this book to learn about your child s body language and how it affects their way of living It will make them happy people who can easily relate to others around them

**Children's Unspoken Language** Gwyneth Doherty-Sneddon,2003 The author a developmental psychologist and mother demonstrates how a young child s developing personality and intelligence is revealed through non verbal communication She shows how parents and other adults have the potential to facilitate a child s social and intellectual growth through acknowledging and responding to this unspoken language

**Wisdom's Children** Linda M.

Northrup,2007-03-07 *Wisdom s Children* is an inspired guide to the needs of today s children many of whom simply do not respond to our current educational system Reading this information brings greater understanding and healing Dr Christiane Northrup author of *Mother Daughter Wisdom* Bantam 2005 *The Wisdom of Menopause* Bantam 2001 and *Women s Bodies Women s Wisdom* Bantam 1998 While in meditation I sensed the familiar urging of my inner voice and reached for a pen Children are arriving in vast numbers to assist in the crossover to an enlightened age They are a new prototype of human being and their soul purpose is to help humanity return to love *Wisdom s Children* describes a new generation of highly sensitive children whose heightened vibration and consciousness can bring about a transformation in the hearts of humanity

It blends metaphysical information the author received intuitively with her experiences as a teacher and a parent She has witnessed the beauty of these children as they struggle to adapt to a world and an outmoded educational system that doesn't recognize their expanded perceptions and abilities The young beings among you carry an intuitive knowledge of universal truth and reflect your deepest longing as spiritual beings to live in harmony with each other and the earth *Child Care and Development Occupations, Competency Based Teaching Modules, 1974* United States.
