Fritz Schneider trudged wearily through the somber aisles of the dark forest Sweat rolled down his bullet head and stood  
upon his heavy jowls and bull neck His lieutenant marched beside him while Unterlieutenant von Goss brought up the rear  
following with a handful of askaris the tired and all but exhausted porters whom the black soldiers following the example of  
their white officer encouraged with the sharp points of bayonets and the metal shod butts of rifles There were no porters  
within reach of Hauptmann Schneider so he vented his Prussian spleen upon the askaris nearest at hand yet with greater  
circumspection since these men bore loaded rifles and the three white men were alone with them in the heart of Africa Ahead  
of the hauptmann marched half his company behind him the other half thus were the dangers of the savage jungle minimized  
for the German captain At the forefront of the column staggered two naked savages fastened to each other by a neck chain  
These were the native guides impressed into the service of Kultur and upon their poor bruised bodies Kultur s brand was  
revealed in divers cruel wounds and bruises Thus even in darkest Africa was the light of German civilization commencing to  
reflect itself upon the undeserving natives just as at the same period the fall of 1914 it was shedding its glorious effulgence
