Cooney,2012-05-22 In the vein of psychological thrillers like We Were Liars Girl on the Train and Beware That Girl bestselling author Caroline Cooney s JANIE series delivers on every level Mystery and suspense blend seamlessly with issues of family friendship and love to offer an emotionally evocative thrill ride of a read The kidnapping is long past and the Johnsons and the Springs are on the way to restoring their lives Janie is ever grateful to her devoted boyfriend who helped her through it all As Janie tries to balance herself between the two families she feels torn It seems the only thing keeping her together is her love for Reeve but he is away at college and Janie misses him terribly For Reeve college life seems overwhelming And as a first time disc jockey at his college radio station he is discovering that dead air can kill you To fill the silence he finds himself spilling Janie s story over the airwaves Reeve is so sure that Janie will never find out what s

making his broadcast such a hit that he doesn't stop himself. What will be the price for Janie? **Caroline Cooney** Pamela S. Carroll, 2001-09. Cooney's large body of work for adolescents defies easy classification. She has written award-winning adventure, suspense, romance, family, mystery, and historical fiction, as well as action-driven horror stories and a time travel trilogy. Her purpose in some books, most notably horror like *The Perfume*, is just to encourage reluctant readers to enjoy literature. However, in her most serious and artistic books, Cooney relies on a source that is likely to surprise her readers: biblical stories and parables. For example, readers can find the seed of the idea that eventually became *Whatever Happened to Janie* in the story of King Solomon's wisdom when he was asked to decide which of two women, both of whom claimed to be mother of an infant, should be recognized as the true mother. The parable of the Good Samaritan provides a backdrop in several of Cooney's most successful novels. Cooney's understated use of biblical stories and the way her Christian faith subtly informs her fiction are explored in the book. The organization of the text reflects Cooney's major fiction categories: the Janie mysteries, romances, catastrophe novels, horror, and suspense novels, the time travel trilogy, and her historical fiction. Representative books are discussed in detail within each chapter. Although most of the text is devoted to critical analysis of her literary work and of the intersection of fiction and faith in her novels, Cooney's biography is also presented within the frame of her life as a single mother of grown children. The influences of her talents as an organist who played regularly for her church, the lessons she has learned from her children when they were teenagers, and life experiences that have led her to consider issues of race and gender are examples of issues that are discussed. For children's and YA libraries and students of children's literature: *The Living Age*, 1908 (*Selected works of A. Hope*) Anthony Hope, 1925 *Deborah's Drawer. With ... Illustrations* Eleanor Grace O'Reilly, 1871 *Little frolic*, 1899 **The Independent**, 1901 **Messenger and Visitor**, 1905 *The London Journal: and Weekly Record of Literature, Science, and Art*, 1879 *The Power of the Keys* Sydney C. Grier, 1907
