What Matters Most:

What Matters Most Katherine Draper, 2014-10-17 It is easy to view the world without hope to stand back and feel helpless But what if that were simply not true What if we weren't victims who were done for and done to What if we started to set a different standard by living fully creatively and spiritually Brian Draper shows how we can change the world around us by first changing ourselves What Matters Most is incisive and full of practical spiritual wisdom Draper goes in search of the positive the infinite and the good and wants to pass them on It is time to see the world with fresh eyes to be inspired and to help others But it's not just about spreading a positive message it's about transforming lives because transformed people transform people Change starts with us And that's when it spreads

What Matters Most James Hollis, 2008-12-26 The celebrated author of *Finding Meaning in the Second Half of Life* delivers a unique look at happiness sharing a Jungian approach to finding a fearless authentic path Why are we here What is the meaning of existence What truly matters the most in life To even begin to answer these questions we must start by exploring our own internal ideals values and beliefs Presenting the unique perspective of respected analyst and author James Hollis Ph D *What Matters Most* helps readers learn to appreciate even be amazed by events unfolding within even as the external world creates constant struggles Taking a fresh look at the concept of happiness Hollis uses a warm accessible tone to encourage readers to learn to tolerate ambiguity embrace growth rather than security respect the power of Eros engage spiritual crises and acknowledge the shadow of mortality Providing inspiring wisdom and personal reflections to address our deepest worries *What Matters Most* yields far more than mere self-help clichés Instead Hollis guides readers in uncovering the heart of the matter discovering what it means to truly live life to its fullest most meaningful state as fully engaged citizens of the world
