## What Moe Thinks:

Lake Effect Days: Brief Stories of Buffalo New York Philip Sultz,2020-09-15 This critically acclaimed collection of very short stories about postwar Buffalo New York illustrated in color with the author's own collages is now available in paperback It all began in Buffalo between World War II and the Korean Conflict as it was called when the guys would meet up late at night in a diner for their brand of fellowship They were mostly high school graduates in their late teens and early twenties the sons of immigrant families It didn't matter there was little trace of that showing They didn't look or act alike but they had a sense of who they were sort of proud for some reason without much to show for it from the Introduction At the center of the group was Arnie He might have been selling real estate for the time being but he always had his eye on the next thing Christmas tree farming perhaps or uranium mining Then there were Moe who had a gas station and garage and Barney who drove a truck for Pop's Pies Observing it all was an art student working odd jobs to afford his paints and brushes Phil In 110 vignettes about Arnie and the guys Philip Sultz presents a fictionalized portrait of the working class Buffalo of his youth He also vividly sketches the downtown Manhattan of those days where his protagonists are drawn to study and to work These stories by turns funny and poignant perfectly told and full of telling details evoke not only the life of two cities but the atmosphere of postwar America Even in shadow of McCarthyism and the atom bomb it was a time emblematic of possibility and change Lake Effect Days is illustrated with color reproductions of Sultz's critically acclaimed collages which echo the text in their formal perfection and add new layers of allusion

**Peace on Earth** R J R,2020-06-12 PEACE ON EARTH is a lighthearted alien adventure tale culminating with an alien invasion of Earth The GREYS are determined to dominate all planets in the universe Once Earth is conquered its resources will be harvested and sent to Grey bases on other planets Earthlings will be forced to do the labor When the resources become depleted Earth will be blown up The BLACK LEAGUE RESISTENCE is the only hope for stopping the Greys Outmanned and under armed they are willing to fight to the death The situation is grim until an unlikely hero arrives NYBO has come to Earth to search for missing astronauts from his own planet He is soon arrested sent to court and committed to the state hospital for psychiatric evaluation After leaving the hospital he becomes involved with the Black League Resistance He reluctantly finds he must help save Earth to save his own planet JOIN Nybo on his fun and daring adventure as he experiences life in the Untied Sates Travel along as he and his new friends set out to find a missing astronaut and end up joining in the struggle to save Earth
